**Scouting for Food – Nov 3 & 10, 2018**

*Scouting for Food* is an annual food collection orchestrated by Scouts from National Capital Area Council. Local Scouts distribute plastic bags to homes across the region and return to pick up the bags, now filled with food, one week later. Collected food is distributed to needy families throughout the communities of the Council.

Cub Scout packs, Boy Scout troops, Venturing crews and Sea Scout ships throughout the Council will be distributing Scouting for Food donation bags in local neighborhoods. They return to collect those bags one week later.

Not sure what you should donate? According to our friends at Capital Area Food Bank, some of the most highly needed items are:

- Non-perishable food items
- Canned protein (tuna, salmon, chicken, peanut butter)
- Soups & stews (beef stew, chili, meat-based soups)
- 100% fruit juices (all sizes)
- Grains (pasta, whole grain pasta, rice, brown rice, boxed macaroni & cheese)
- Cereals (multi grain, low sugar such as cheerios, cornflakes, raisin bran, grape nuts, oatmeal)
- Canned vegetables
- Canned fruits
- Condiments
- Hygiene products (diapers, toilet paper, tissues, soap, toothpaste)

Leading and Strengthening New Troops

This conference, is intended for Scouters providing leadership to new troops and current troop leaders who want to learn the keys to establishing a successful and sustainable unit. Available resources will be explored, and an emphasis will be placed on developing a program for the critical beginnings of a new troop. Scouters will learn best practices related to program planning, recruiting youth and adult leadership, along with troop administration. Current Cub Pack leaders, especially Webelos den leaders, won’t want to miss this opportunity. This conference will give you the opportunity to interact in person with other new leaders from all around the country. Scoutmasters, Assistant Scoutmasters, Committee Members, including New Member Coordinators, or anyone planning to organize a new troop, will find this to be an invaluable experience.

Conference on Education for Advancement Administrators (CEAA)

This conference targets council and district volunteers and professionals who have some background in advancement and want to take their game to a new level! Participants will receive lots of updates and chances to share with others, but of significance is that they will review and participate in the update or completion of advancement education tools that are used by units, districts, or councils across the country. Conferees will view and discuss various existing advancement materials and make recommendations for tools that should be developed for the future. Participants will begin some of those tools during this conference. This is your opportunity to be on the cutting edge of materials development and advance your education by learning through doing!

Camp Snyder Volunteer Service Days

Camp Snyder Volunteer Service Days - 2018

“Fun With All The Fixin’”

If you have an hour or two to spare, come on out for some of the most satisfying fun a Scouter can have. If you know someone who is handy, bring ‘em with you. But heck, if you have two bad knees, or one arm in a sling and the other with an IV in it, and all you can do is sit in the shade and offer moral support, well, we can also use some good conversation, and someone to say, “You missed a spot!”

And yes, we have service projects for Scouts! Just call Dan Kurtenbach at 703-802-0613 or email him at danielkurtenbach@hotmail.com with your unit number, how many youth and adults will be doing the service project, and good contact information (including a mobile phone number for an adult who will be there for the project). We can also arrange for unit projects on some other weekends, including Saturdays.

In addition to regular monthly Camp Snyder Service Days, we will be holding short-notice “Maintenance Raids” on a Friday or Saturday to attack specific projects such as tent platforms. Join our mailing list by contacting danielkurtenbach@hotmail.com and be on the lookout for email notices about Maintenance Raids!

2018 Service Days at Camp William B. Snyder: November 18 & December 16 2018
Celebrate Veterans Day by joining the George Mason District Crews, Troops, and Packs for “Flags-in” – placing American Flags on the graves of fallen veterans. *Girl Scouts are welcome.*

The Scouts will gather in the Chapel at:  
The National Memorial Park, 7482 Lee Highway, Falls Church, VA 22042

Schedule:  11:30am – arrive and sign in; 12:00 noon – Pizza Delivery and flag placement training  
1:00pm – Begin flag placement  
1:00pm, 2:00pm and 3:00pm – TAPS blown (buglers needed); 3:30pm – Probable completion of event

Training will be provided by Crew 836 and will include the proper method to place flags.

On Veterans Day 2017, approximately 140 Scouts plus parents/Scouters from our District and others nearby participated in this patriotic activity. Scout service hours (3 hours) will be available. Each participating Scout earns a unique patch and rocker. Cemetery Staff will supply flags, drinks and the pizza lunch.

Processing Training Awards, Unit Leader Key Awards, and other awards

Trained leaders have the knowledge and self-confidence to provide young people with a quality program. There are two important parts of BSA’s Leadership Training Recognition plan: to honor demonstrated performance and tenure of trained leaders in all areas of the Scouting program involving units and to encourage others to become trained.

Trained leaders may apply for the knot appropriate to their program level by filling out the Progress Record for that award. The application should be put in the awards box at Roundtable or given to your Unit Commissioner to be reviewed by the district training committee for approval. You do not need to get a district signature before dropping off the form. The forms will be signed after a review is completed. All forms ask if training has been completed. We do review the training records. You can review your training records at www.my.scouting.org.

If your training records are not updated, please complete the following excel spreadsheet: http://tinyurl.com/NCACBSATraining and submit it to our Training Records, Roy DeLauder at eaglescout.roy@cox.net. Usually one reason why training records are not showing up is because the individual has not linked their BSA Member Number to their my.scouting.org account. It is important that this is done so that we can show that our leaders are actually trained. Another error is not obtaining all the signatures required at the unit level. If the form asks for both the unit leader and the committee chairs signatures, then we need both signatures.

Use the current forms (links to current forms are listed below).

The Next NYLT will be: Jan 19-21 & Feb 16-18 2019 At Camp Snyder

What is NYLT and why Should I promote this within my Unit? Look for 2019 candidates!

NYLT (National Youth Leadership Training) is the National Capital Area Council’s presentation of the National Youth Leadership Training. The objective of our NYLT program is to equip our young people with leadership skills to help them succeed in their scouting program and in life. NYLT brings together scouts from all over the Council to learn and practice the leadership techniques in a risk free, scout friendly environment. The Scouts learn and practice leadership skills and styles together.

The course is presented primarily using a Boy Scout model as the vehicle which allows all attendees to see how leadership skills fit into the scouting program. These leadership skills are applicable to all scouting programs.

Why have NYLT?

While it remains the responsibility of the unit leaders to train the youth leaders, this course is designed to supplement the adult leaders’ role in the training process. NYLT skills build on the fundamental leadership skills presented in the unit basic leadership training in their home unit. This training has six specific objectives:

- To give participants the confidence and knowledge to run their unit.
- To give participants the most contemporary, successful, and useful leadership tools available and allow them to “experiment” with them to help them better relate these skills to their unit responsibilities.
- To give participants the opportunity to share ideas and experiences with Scouts from other scouting programs.
- To create an atmosphere where Scouts will experience Scouting at its best.
- To enhance the relationship between the participant and their adult leaders.
- To have fun!

NYLT Eligibility Requirements In order to attend the course each participant must certify that they have or will have by the beginning of the NYLT course to meet the following qualifications to attend NYLT:

- Attained First Class Rank if in Boy Scouts
- Completed Introduction to Leadership Skills for Troops, Crews, or Ships (ILST, ILSC, or ILSS) or Exploring Leadership Training.
- At least 14 years of age by the course start date (or 13 years of age with the Course Director’s approval) All participants 13 years of age must contact the Course Director before registering online.
- Youth 12 years of age and younger will not be able to attend
- Home Unit Leader approval. NYLT is an intense and challenging hands-on course that parallels Wood Badge training for adults. It is essential that youth participants be physically, emotionally, and mentally prepared to handle the demands of this advanced training. In order for youth participants to get the maximum benefit from this unique experience, home unit leaders must only endorse those participants who exhibit emotional maturity, a positive attitude, proficiency in basic camping skills, and ambition to serve in leadership roles.
- Have a current BSA health and medical record. Parts A,B & C are required.
Calling all NYLT Trained Scouts

We’re recruiting enthusiastic, reliable, dedicated Scouts to join NYLT’s 2019 staff.

To be considered, Scouts should fill out the application available at www.myNYLT.org

Decisions will be emailed in February 2019 for Summer courses, earlier for Winter.

NCAC University of Scouting (UoS)
23 FEBRUARY 2019
Hayfield Secondary School
7630 Telegraph Road, Alexandria, VA

Registration opens 2 January 2019

Purpose of University of Scouting

University of Scouting is a supplemental training opportunity for all adult Scout leaders. It is the only time during the year where you can find, all in one place, the widest variety of training opportunities in all program areas (Cub Scouts, Boy Scouts, Venturing, Sea Scouting, Varsity Scouts, District Operations, and Council). Whether you are new to the program or a veteran of many years, the University provides interesting courses in Cubbing, Scouting, and Adventure and leadership training for Venturing, Varsity, and Sea Scouting; Electives courses applicable across the Scouting programs, and District operations courses. For 2019 we will be offering over 150 classes in five colleges – truly something for everyone.

- The College of Cub Scouting provides a wide variety of courses from pack administration to planning for an outdoor program.
- The College of Boy Scouting provides an exciting variety of troop, patrol and outdoor planning supplemental courses to help manage the challenges of a great troop experience.
- The College of Adventure Scouting is an interesting combination of courses for those who are wish to learn more about Scouting’s “senior” level programs and the challenges of an active high adventure experience.
The College of Elective Programs offers many “general studies courses” that cut across all the programs. Just about everything from diversity and special needs to using technology can be found in the Elective Programs.

The College of District Operation provides training to district committee members and Scouters with an interest in district operations. While no degree is conferred, those who take the required three courses are awarded the District Scouter Training Certificate and “Trained” patch.
Leave No Trace Trainer Course –
BSA Outdoor Ethics

What is the purpose of this class? The Cub Scout, Boy Scout, Varsity Scout, Venturing, and Sea Scout programs all include outdoor stewardship, care for the environment, and Leave No Trace as part of their programs. This course is offered to train adults and youth aged 14+ to serve their units and districts as Leave No Trace Trainers and as Outdoor Ethics Guides. Every Cub Scout, Boy Scout, Varsity Scout, Venturing, and Sea Scout unit should have at least one Leave No Trace/Outdoor Ethics Trainer. We recommend that Boy Scouts complete this course before serving in the troop Outdoor Ethics Guide position.

Who should attend? Venturers, Sea Scouts, Varsity Scouts, and Boy Scouts aged 14+; adult Cub Scout, Boy Scout, Varsity, Venturing, and Sea Scout leaders; and District and Council leaders and trainers.

What will I learn? This course is designed to enhance your understanding of Leave No Trace practices and outdoor ethics, and to increase your level of expertise and confidence in teaching Leave No Trace skills. This class is both active and highly interactive. You will be introduced to concepts and methods that will advance your knowledge of Leave No Trace issues in both developed and high adventure environments, expand your repertoire of low-impact skills, and increase your effectiveness in teaching these important skills to others.

On completion of this course, participants will be registered as Leave No Trace Trainers with the Leave No Trace Center for Outdoor Ethics and with the BSA. Students will receive Leave No Trace teaching materials, a certificate of course completion, a Leave No Trace Trainer lapel pin, and a BSA Leave No Trace Trainer card.

This course is instructed by nationally designated Leave No Trace Master Educators and Trainers.

Leave No Trace
Master Educator Course

"The Boy Scouts of America has adopted the principles of Leave No Trace, which are easy to learn and apply. Every outing and activity should be conducted with Leave No Trace in mind. As young people mature, we will enjoy an increasingly beautiful environment because of the impact of their training in Leave No Trace. As members of the Boy Scouts of America, we should be good stewards of our environment through knowledgeable use of resources. ... We all must take responsibility for our decisions when we use the outdoors, and we should treat the environment with respect so future generations can enjoy the outdoors as we do today." - Teaching Leave No Trace (BSA No. 21-117)

This five-day course (split over two weekends) trains Scouts and Scouters ages 18 and up to serve as Leave No Trace Master Educators. Master Educators can conduct Leave No Trace Trainer courses (two-day) and awareness workshops (one-day or shorter).

This invaluable training is recognized and highly regarded throughout the world, especially by the outdoor industry, as well as government land management agencies. Successful graduates are certified to train others in Leave No Trace skills and ethics. The Master Educator Course provides participants with a comprehensive training in Leave No Trace skills and ethics through practical application in a field-based setting. The first weekend is a mix of classroom and outdoor instruction, introducing the course and schedule, providing in-depth information on the overall Leave No Trace program, how to conduct training courses, and the science behind the Leave No Trace principles. The second weekend is spent in the field on a short backcountry trip, learning and practicing Leave No Trace skills and techniques hands-on.

Each course is staffed with a minimum of two highly experienced outdoor professionals who are Master Educator instructors. Participants will learn Leave No Trace techniques through skits, discussions, and hands-on activities. To practice Leave No Trace teaching strategies in a supportive, educational environment, each participant will teach a short session focused on the seven Leave No Trace principles.

- Prerequisite: Leave No Trace Trainer or approval from Council Outdoor Ethics Advocate
- Instructed by: Nationally-designated Leave No Trace Master Educator Instructors
- Participants receive: Leave No Trace Master Educator card from BSA, BSA Leave No Trace Master Educator Handbook, Leave No Trace Master Educator patch and lapel pin, a certificate from the Leave No Trace Center for Outdoor Ethics, and National Park Service Leave No Trace DVD courtesy of the National Park Service.

Cost $290—Includes facilities fees, meals for both weekends, educational materials, and the LNT Center for Outdoor Ethics Membership fee. Attendance at both weekends is required. Campsite location, equipment list and other course details will be emailed out to all participants once registration is underway.
