NCAC Commissioner College

Saturday, March 9, 2019

Online registration is available now.

Saturday, March 9, 2019 is the 2019 National Capital Area Council College of Commissioner Service at Holy Spirit School in Annandale, Virginia.

Our College of Commissioner Service is a fun-filled day open to everyone interested in training, networking and fellowship, and information on the latest Scouting developments. Whether you are a veteran commissioner with years of experience, a brand-new commissioner about to start your new role, or a parent interested in learning more about Scouting—this event has plenty to offer everyone.

This annual event is modeled after a traditional college with opportunities to earn a Bachelor’s, Master’s, or Doctorate “degree”; to engage in Continuing Education; to complete Unit Commissioner Basic Training; or to just come hear from our keynote lunch speaker BSA National Commissioner Ellie Morrison.

In addition to being our keynote lunch speaker, Ellie Morrison will be presenting a course on Servant Leadership, BSC 109 – The Essential Element: A Servant’s Heart.

And for the first time, we will be offering the new Masters in Roundtable curriculum as well as the newly updated Bachelors in Roundtable curriculum with courses presented by instructors from the BSA National Commissioner Service Task Force.

You can expect a fantastic day packed full of solid learning experiences along with many great opportunities to share ideas, network, and enjoy Scouting fellowship.

Online registration is available now. We look forward to seeing you at Commissioner College on March 9th!

Wood Badge: A Two-Step Process...

Practical Experience:
Wood Badge is a two-step process, beginning with six days of practical experiences, consisting of three days focused primarily on indoor experience followed by another three days of outdoor experience. Those participating are exposed to leadership and team-building skills as they apply primarily to adults; but the training parallels the same skills and terminology taught by the National Youth Leadership Training (NYLT). Through living in a Scouting atmosphere for an extended period of time, Wood Badge Scouters develop a deeper understanding of the Scouting program, its leadership skills and its methods. They learn that when these skills are applied, along with BSA values, that they can have a profound influence on the lives of the youth in our communities.

To demonstrate an understanding of the leadership skills taught at the course, each participant writes their vision of their future in Scouting outlining how they will apply the leadership lessons learned in their specific role in Scouting after the practical experience. The steps to achieve their vision are called a ticket.

Application Phase:

The outdoor experience is followed by a period of up to eighteen months during which the Scouter applies the skills learned during the practical experience in his or her Scouting position – at the unit, district, or council level. Through this period, each Scouter is assigned a counselor who acts as a resource, evaluator, and Scouting mentor to assist the participant in putting into action those points discussed during the course. This is demonstrated by the process known as working your ticket.

Once the ticket is completed to the mutual satisfaction of the participant and the counselor, the Wood Badge Award is presented.

What others have said:
 "Wood Badge was intense, but it changed my life."
 "This is truly one of the hidden treasures in Scouting!"
 "I should have done this years ago. What a difference I could have made in the lives of so many boys."
 "If you haven’t already, I encourage you to sign up now for the next Wood Badge course."
 "I’m not easily inspired these days. This course moved me.”

Who May Attend Wood Badge?

Wood Badge is designed to meet the advanced leadership needs of all Scouters, particularly Cub Leaders, Scoutmasters and Assistants, Varsity Team leaders, Venturing Crew Advisors, Committee Chairs and other unit, district, council, and professional adults in leadership positions.

How do I qualify?

It’s simple! To qualify, you must:
1. Be a registered member of the Boy Scouts of America, and
2. Have completed all the basic training courses for your Scouting position – this includes New Leader Essentials and the appropriate Leader Specific Training for all unit, district or council level leader positions (Older versions of leader training courses are acceptable too.), and
3. Have completed the outdoor skills program if there is one appropriate for your Scouting position (Introduction to Outdoor Leadership for Scoutmasters, Assistant Scoutmasters, Varsity Coaches and Assistants), and
4. Be capable of functioning safely in an outdoor camping environment, and
5. Have successfully completed a Sections A, B, and C of the Annual BSA Health and Medical Record, signed by a physician, prior to the start of the course, and
6. Have the Scouting commitment to complete both the Wood Badge practical experience and application phase in the specified time.

"Back to Gilwell, happy land”
Introduction to Outdoor Leader Skills - IOLS

IOLS is one of two training courses needed for Scoutmasters and Assistant Scoutmasters to qualify as trained leaders. The other required course is Scoutmaster Position-Specific Training (SPST). Adults do not need to have completed SPST in order to take IOLS, and completing IOLS satisfies a prerequisite for attending the top training for Scout leaders, Wood Badge. Lastly, IOLS is a great training opportunity for Venturing Advisors, 2nd Year Webelos Leaders, Troop Committee members and others who desire to improve their ability to help teach basic outdoor skills.

At IOLS, participants will learn about first aid, camp set-up, cooking, woods tools, knots and lashing, campfire programs, map & compass skills, hiking & packing, leaf identification, leave-no-trace, how the youth led troop and the patrol method work in the outdoor program – necessary outdoor leadership skills in a Scout troop. The goal is that participants will know how to show your Scouts outdoor skills needed to fulfill rank requirements through First Class.

BALOO stands for Basic Adult Leader Outdoor Orientation

BALOO is the introductory training Cub Scout leaders should complete before taking Cub Scouts on an overnight camping trip. Recent updates to this two-part course make the content more impactful, useful and convenient.

The new BALOO combines the previous BALOO and a course called Outdoor Leader Skills for Webelos Leaders, or OWL.

As of Feb. 28, 2018, OWL is no more. The OWL training code — C33 — has been retired. The training code for the new, hybrid BALOO is C32.

Who should take BALOO?

"No one can pass through life, any more than he can pass through a bit of country, without leaving tracks behind, and those tracks may often be helpful to those coming after him in finding their way." B.P.
BALOO (cont.)

The BSA requires that you have at least one BALOO-trained adult on every Cub Scout den or pack overnight outdoor event. That include pack camping and Webelos den overnighters.

A BALOO-trained leader should be at any overnighter regardless of whether it is a pack, district or council event.

Having at least one BALOO-trained adult will make your Cub Scouts’ camping experience as awesome as it can be.

Why should I take BALOO?

Leaders who complete BALOO training are better prepared to plan pack den or pack overnight events.

You’ll learn how to make camping activities and outings fun. You’ll discover how to keep your Cub Scouts safe and entertained. And you’ll learn how to plan an event that’s rooted firmly in Cub Scouting’s principles.

Successful experiences in the outdoors make Cub Scouts — and their parents — more likely to keep coming back.

Francis Scott Key District will offer BALOO and IOLS May 17-19, 2019

The Order of the Arrow is Scouting’s national honor society. Since its founding in 1915, the Order of the Arrow has recognized campers – Scouts and Scouters – who best exemplify the Scout Oath and Law in their daily lives. The Order has three purposes:

- Promoting responsible outdoor adventure
- Developing leaders
- Crystallizing the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.

Scouts from the National Capital Area Council who are inducted into the Order of the Arrow become members of Amangamek-Wipit Lodge #470, an organization offering outdoor adventure and service opportunities. Amangamek-Wipit, which is part of the Northeast Region and Section NE-6A, serves almost 4,300 Arrowmen from the Council’s chapters.

It’s time to renew your Lodge Membership!

To be a member of Amangamek-Wipit Lodge and the Order of the Arrow, you must be a registered Scout or Scouter and pay lodge dues of $16 annually. Take advantage of a $2 discount if you pay by March 31, 2019. Membership ensures your invitation to all chapter/lodge events and includes a subscription to the quarterly Lodge Shark’s Tooth newsletter, which will be imprinted with your OA ID number and BSA ID number.

Order of the Arrow - Adult leaders in units

Each year, upon holding a troop or team election for youth candidates that result in at least one youth candidate being elected, the unit committee may nominate adults to the chapter adult selection committee. The number of adults nominated can be no more than one-third of the number of youth candidates elected, rounded up where the number of youth candidates is not a multiple of three. In addition to the one-third limit, as long as he or she has served as unit leader (i.e. Scoutmaster or Coach not Assistant Scoutmaster or Assistant Coach), as long as he or she has served as unit leader for at least the previous twelve months (i.e. immediately prior to the unit election). Recommendations of the chapter adult selection committee will be forwarded to the lodge adult selection committee for approval. Candidates must fulfill the following conditions in order to be considered for approval:

- Selection of the adult is based on the ability to perform the necessary functions to help the Order fulfill its purpose, and not for recognition of service, including current or prior achievement and positions.
- The individual will be an asset to the Order because of demonstrated abilities that fulfill the purpose of the Order.
- The camping requirements set forth for youth members are fulfilled.
- The adult leader’s membership will provide a positive example for the growth and development of the youth members of the lodge.

The unit committee is encouraged to determine if they will be nominating an adult for membership in the Order prior to the unit election. If an adult will be nominated, the unit committee should download and complete the Adult Recommendation form (includes fields to allow users to fill out the document via computer; form is savable to the local hard drive), so it can be submitted to the elections team as soon as possible following a successful election of youth candidates from the unit. The adult being nominated must be a registered member of the unit and the name listed on the form should match the name that is registered with the Boy Scouts of America on the unit roster (field sheet).

BACK COUNTRY OUTDOOR LEADER SKILLS - BCOLS

DON'T BE THIS GUY

GET BCOLS TRAINED!

This course was developed by a group of Scouters in 1993; it has been continually updated to meet current techniques and technology. It is aimed at all adults working with older youth regardless of program (Boy Scouting, Venturing, or Exploring). **This training IS NOT recommended for Cub Scout leaders or people without camping experience.** All participants are strongly encouraged to complete Introduction to Outdoor Leader Skills, as well as the position-specific training for their program area (Venturing or, Boy Scout) prior to attending this course. All participants must be able to meet current physical requirements of the BSA Annual Health & Medical Record.

The target audience is adult leaders planning High Adventure treks at backcountry venues not supported by BSA infrastructure; however, units planning to attend High Adventure bases supported by BSA will find this course useful, inasmuch as unit shake downs will, most likely, take place in venues not supported by BSA infrastructure. If you are participating in an NCAC-sponsored High Adventure Trek, you must also take the course offered by the NCAC High Adventure Committee.

Youth participants (16 and up) will be admitted on an individual basis and requires the nomination by the unit leader. Youth must have completed unit leadership training (Introduction to Leadership Skills for Troops or Crews, etc.). National Youth Leadership Training is strongly recommended.

Back Country Outdoor Leader Skills is offered by the Council Training Committee as an optional follow-on to the basic course, Introduction to Outdoor Leader Skills. Its goal is to provide adult leaders with an overview of such topics as:

NCAC Powder Horn 2019

High Adventure Skills Resources Management Course

August 24 – 26, Need to attend all three days - Camp St. Charles, Newberg, MD

What is Powder Horn? Powder Horn is a resource course designed to introduce Scouting’s adult leaders to exciting program possibilities using a variety of resources for their unit. It helps leaders to provide a robust outdoor program that meets the health and safety requirements as well as the rules and regulations of the BSA as they apply to outdoor programs. The goal for participants is to leave the Powder Horn course with a list of ideas to help their program, along with contacts and resources needed to implement them. It is important to understand that Powder Horn is not a personal development course or a team building experience. It is not a certification course. Its purpose is to educate the youth and adult Scouting leaders about specific high-adventure skills, to connect them to resources to deliver those skills, and to get them excited about delivering those skills in an exciting, challenging way to youth.

Who can attend Powder Horn?

All registered adult leaders are welcome. All participants must be registered members of the Boy Scouts of America. Adults must have completed Leader Specific Training for their registered position. All youth applications will be placed on a wait list until all adult applications are processed. Youth must have completed their unit’s version of leadership training (Introduction to Leadership Skills for Troops or Crews, etc.). National Youth Leadership Training is recommended.

What will we do? Powder Horn is organized around the BSA’s High Adventure elements. Topics may include:

- We are not able to accept youth registration on a first come-first served basis. All youth will be placed on a wait-list and asked to complete the Powder Horn Youth Application Addendum via email. The addendum will be used to evaluate all youth registrations. Youth will be notified of the status of their application by June 7, 2019. Thank you for your consideration and understanding as we need to service all members of the Council.

How Do I Register? Registration opens Friday, February 1, 2019 and closes on June 3, 2019. The fee is $300.00. Fees will only be refunded if you cancel before July 1, 2019 AND there is someone on the waiting list willing to take your place. Leave No Trace Trainer
Course –
BSA Outdoor Ethics

What is the purpose of this class? The Cub Scout, Boy Scout, Varsity Scout, Venturing, and Sea Scout programs all include outdoor stewardship, care for the environment, and Leave No Trace as part of their programs. This course is offered to train adults and youth aged 14+ to serve their units and districts as Leave No Trace Trainers and as Outdoor Ethics Guides. Every Cub Scout, Boy Scout, Varsity Scout, Venturing, and Sea Scout unit should have at least one Leave No Trace/Outdoor Ethics Trainer. We recommend that Boy Scouts complete this course before serving in the troop Outdoor Ethics Guide position.

Who should attend? Venturers, Sea Scouts, Varsity Scouts, and Boy Scouts aged 14+; adult Cub Scout, Boy Scout, Varsity, Venturing, and Sea Scout leaders; and District and Council leaders and trainers.

What will I learn? This course is designed to enhance your understanding of Leave No Trace practices and outdoor ethics, and to increase your level of expertise and confidence in teaching Leave No Trace skills. This class is both active and highly interactive. You will be introduced to concepts and methods that will advance your knowledge of Leave No Trace issues in both developed and high adventure environments, expand your repertoire of low-impact skills, and increase your effectiveness in teaching these important skills to others.

On completion of this course, participants will be registered as Leave No Trace Trainers with the Leave No Trace Center for Outdoor Ethics and with the BSA. Students will receive Leave No Trace teaching materials, a certificate of course completion, a Leave No Trace Trainer lapel pin, and a BSA Leave No Trace Trainer card.

This course is instructed by nationally designated Leave No Trace Master Educators and Trainers.

Leave No Trace
Master Educator Course

"The Boy Scouts of America has adopted the principles of Leave No Trace, which are easy to learn and apply. Every outing and activity should be conducted with Leave No Trace in mind. As young people mature, we will enjoy an increasingly beautiful environment because of the impact of their training in Leave No Trace. As members of the Boy Scouts of America, we should be good stewards of our environment through knowledgeable use of resources. ... We all must take responsibility for our decisions when we use the outdoors, and we should treat the environment with respect so future generations can enjoy the outdoors as we do today." - Teaching Leave No Trace (BSA No. 21-117)

This five-day course (split over two weekends) trains Scouts and Scouters ages 18 and up to serve as Leave No Trace Master Educators. Master Educators can conduct Leave No Trace Trainer courses (two-day) and awareness workshops (one-day or shorter).

This invaluable training is recognized and highly regarded throughout the world, especially by the outdoor industry, as well as government land management agencies. Successful graduates are certified to train others in Leave No Trace skills and ethics. The Master Educator Course provides participants with a comprehensive training in Leave No Trace skills and ethics through practical application in a field-based setting. The first weekend is a mix of classroom and outdoor instruction, introducing the course and schedule, providing in-depth information on the overall Leave No Trace program, how to conduct training courses, and the science behind the Leave No Trace principles. The second weekend is spent in the field on a short backcountry trip, learning and practicing Leave No Trace skills and techniques hands-on.

Each course is staffed with a minimum of two highly experienced outdoor professionals who are Master Educator instructors. Participants will learn Leave No Trace techniques through skits, discussions, and hands-on activities. To practice Leave No Trace teaching strategies in a supportive, educational environment, each participant will teach a short session focused on the seven Leave No Trace principles.

- Prerequisite: Leave No Trace Trainer or approval from Council Outdoor Ethics Advocate
- Instructed by: Nationally-designated Leave No Trace Master Educator Instructors
- Participants receive: Leave No Trace Master Educator card from BSA, BSA Leave No Trace Master Educator Handbook, Leave No Trace Master Educator patch and lapel pin, a certificate from the Leave No Trace Center for Outdoor Ethics, and National Park Service Leave No Trace DVD courtesy of the National Park Service.
