## 2. THE LODGE

### 2.1 HISTORY

Amangamek-Wipit Lodge was granted its first Charter on March 12, 1952. The Lodge was originally chartered without a name or totem. In the fall of 1952, the Lodge co-founders, Jack A. Obermeyer (first Lodge Adviser) and Ralph Lutz and other former O/A members residing in the area visited the various Troops in the Council to conduct elections. That fall, three separate Ordeals were held by Nenitco, Blue Heron, and Nawakwa Lodges. By the time of the first Lodge Banquet on December 29, 1952, the Lodge had 89 charter members (77 from the Ordeals and 12 from transfers). At the banquet, the first Lodge Chief, Robert L. Zink, was elected.

In June 1953, the Lodge conducted its first Ordeal on its own. The Lodge name and totem were also adopted at this meeting. The totem selected was an arrow and the Washington monument superimposed on a shark's tooth. The monument stood vertically in the center of the tooth was chosen for the Lodge name and the principal object in the totem because of the large number of sharks' teeth that were found along the Chesapeake shores of Camp Roosevelt which served as the early home for the Lodge. The Indian version of the Lodge name, "Amanquemack," was obtained in a telephone conversation with a Delaware Indian language expert at the Smithsonian Institution. There was no word for 'shark' in the language, only 'large fish'; the 'tooth' part was assumed. The first Lodge patch appeared in October 1953.

On March 27, 1954, Nenitco Lodge provided the first Brotherhood Ceremony for the Lodge at Camp Broad Creek. The Lodge held its first Brotherhood Ceremony on its own later that August. The Lodge's first Vigil, Ralph P. Lutz, was inducted at the 1954 Area III-C Pow Wow held at Camp Rock Enon in May.

Sometime in November or December 1955, additional research was done on the Lodge name. It was discovered that the word "Amanquemack" did not exist in the Delaware language and the name had been written down incorrectly in the original telephone conversation with the Smithsonian. The correct word for 'large fish' was "Amangamek" and the word for 'tooth' was "Wipit." The new Lodge name first appeared in early 1956; it was probably adopted at the December 1955 Lodge Banquet.

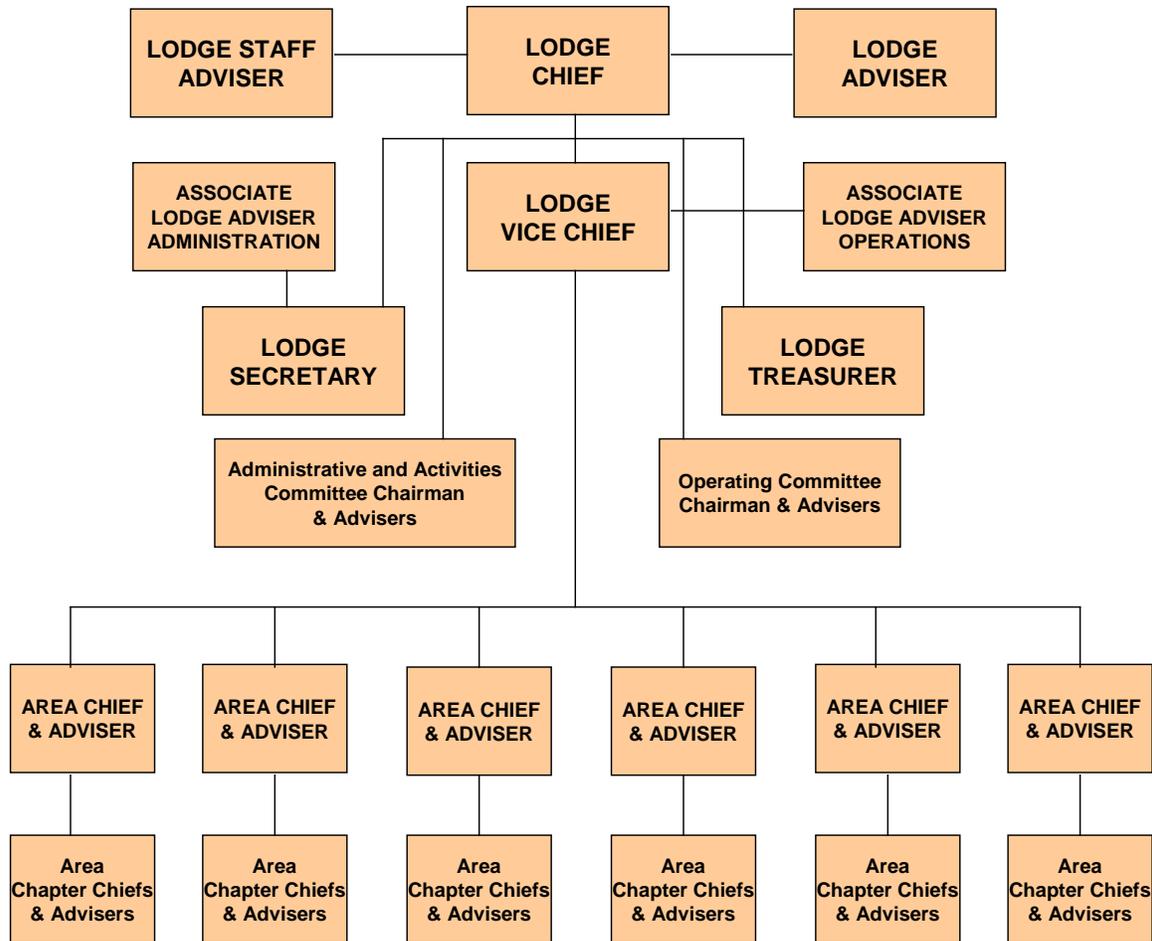

The Lodge was a charter member of old Area III-C and hosted the Area III-C Pow Wows in 1956 at Camp Roosevelt and in 1965 at Camp Wilson. In 1973, the Lodge was included in the Area realignment and became an active member of Section SE-1. The Lodge hosted the 1976 SE-I Indian Seminar at Ft. Belvoir, VA, and the 1980 SE-1 Conclave at Camp Happyland, VA. In January 1982, Amangamek Wipit was among the five northern Lodges split off to form SE-9. Later in May, these five Lodges were transferred to the Northeast Region to form the new NE-6.

In June 1988 three Pennsylvania Lodges joined the NE-6; in June 1994 the Section was re-designated NE-4C. The Lodge hosted Section Conclaves in 1985 at Camp Happyland, VA and in 1991 at Prince William National Forest, VA for NE-6 in 1996 at Camp Rock Enon, VA, and at Goshen Scout Reservation, Goshen, VA in 2003 for NE-4C.

Since formation, Amangamek-Wipit Lodge has produced one national vice chief; two region chiefs; two area chiefs and three vice chiefs; eleven section chiefs, six vice chiefs and eight secretaries; one section adviser; two region OA chairmen; six national OA committeemen; one *National OA Bulletin* editor; and eighteen Distinguished Service Award, 81 Founder's Award, and 1,728 Vigil Honor recipients. The lodge has been recognized with three E. Urner Goodman National Camping Awards. In recent years, the lodge has consistently been the first or second largest lodge in the Order and has often achieved National Quality Lodge status.

## **2.6 UNIFORM AND INSIGNIA**

### **2.6.1 SASHES**

The sash is worn at Order of the Arrow functions and special Scouting activities, when members need to be identified as Arrowmen rendering special services.

An Ordeal sash will only be worn by an Ordeal member, a Brotherhood sash will only be worn by a Brotherhood member, and a Vigil sash will only be worn by a Vigil member. The sash will be worn with the arrow pointing over the right shoulder.

OA sashes should not be worn on the belt. The sash is to be worn only at OA events and special Scouting functions when representing the Order of the Arrow; therefore, when at one of these events, wear it properly over the right shoulder, underneath the epaulet so that the shoulder loop is not covered. When not at an OA event, the pocket flap signifies that you are an Arrowman whose current dues are paid to a Lodge. The universal ribbon pin can also be worn to signify that you are an Arrowman.

Nothing is to be worn on the OA sash except the 50th or the 60th Anniversary Awards. Beaded sashes and sash backs depicting the legend are not to be worn. Also, sashes with Dr. Goodman's or Col. Edson's signature or any other signatures, stamps, or pins are not to be worn. Nothing should detract attention from the Arrow and its true meaning. There is nothing wrong with having any of these souvenir sashes; just don't wear them with the Scout uniform.

### **2.6.2 LODGE FLAPS**

To wear a Scout uniform, you must be a currently registered member of the Boy Scouts of America. To wear an Order of the Arrow Lodge Pocket Flap on the uniform, you must pay your current year's dues to a Lodge.

To earn the right to pay OA Lodge dues, you have to be properly elected and inducted into the OA and must be a current registered member of the Boy Scouts of America. You can only wear the OA pocket flap of the Lodge in which you pay dues. Paying dues in one Lodge does not make you a member of another Lodge. Each Lodge is an independent entity.

**AMANGAMEK-WIPIT LODGE #470**  
**National Capital Area Council #82- Boy Scouts of America**

### **2.6.3 TRADING**

### **2.6.4 PURCHASING**

The Lodge Rules stipulate:

*"The sale of Lodge and Chapter materials and insignia shall be limited to active (dues paid) members of this Lodge."*

Therefore, only dues paid members of Amangamek Wipit Lodge can purchase our mugs, patches, flaps, neckerchiefs, slides, pins, etc. This does not apply to national supply items like sashes, handbooks, ribbon pins, back patches, etc. It applies to things that say "Amangamek Wipit", "470", or has the Lodge Totem (shark's tooth) on them.
