GOSHEN ORDER OF THE ARROW TRAIL CREW Goshen Scout Reservation – Goshen, Virginia

"I will always regard the ties of brotherhood in the Order of the Arrow as lasting, and will seek to preserve a cheerful spirit, even in the midst of irksome tasks and weighty responsibilities, and will endeavor, so far as in my power lies, to be unselfish in service and devotion to the welfare of others.

- Order of the Arrow Obligation

TWO WEEK GOSHEN HIGH ADVENTURE - \$170

Amangamek Wipit Lodge 470 is offering you an opportunity to join other National Capital Area Council Arrowmen in forming lasting ties on the Lenhok'sin Trail system of Goshen Scout Reservation. Under the guidance and direction of experienced Goshen trail maintenance personnel, Order of the Arrow members will participate in a two-week high adventure experience.

Two options: Assuming we have enough applicants, the regular 2-week option and a new 12 day option. The regular multi-faceted program spans fourteen days in the Goshen area backcountry. The first week is concentrated on introducing the relationship between outdoor recreation and stewardship skills. The second week is a five day high adventure trek that is unique in two respects - in that it is only offered to Goshen Order of the Arrow Trail Crew members and that the trek is entirely designed, from various outdoor activity options, by the youth crew members.

The new option starts on Tuesday (arrive Monday afternoon) and ends on Thursday of the following week, but otherwise works like the regular program: four days trail work, weekend activities, four day outpost trek.

The Goshen Order of the Arrow Trail Crew program, by its nature, is intended to expand any Arrowman's outdoor skills while immersing oneself in the exhilaration of being in the Shenandoah backcountry. The participation dates for the Goshen Order of the Arrow Trail Crew experience are either June 16 through June 29, 2019 (2-week) or June 24 through July 5, 2019 (12-day). Actual registrations will determine the crew dates. You will be notified after registration closes. ***The cost of the fourteen (14) day Goshen Order of the Arrow Trail Crew Program is \$170. The cost of the twelve (12) day program is \$140.***

In addition to learning hands-on stewardship and wildlife conservation techniques against the panoramic landscape of Goshen Pass in the Shenandoah area,

2019 GOSHEN OA TRAIL CREW YOUTH APPLICATION**NATIONAL BSA WEIGHT AND HEIGHT LIMITS**

Each Arrowman on a Goshen high adventure trek **shall not exceed** the maximum acceptable weight-to-height table shown below. Those who fall within the recommended weight limits are much more likely to have an enjoyable trek and avoid incurring injuries and health risks. Extra weight places strain on the back, joints, and feet. The trails can be very steep and slick due to moisture and present both a tripping and falling hazard.

We also strongly recommend that no participant be less than 100 pounds in weight. Extremely small participants will have a very difficult time with backcountry rigors.
