

This summer, more than ever, Packs should conduct several outdoor activities to re-engage their Cubs and parents. The **National Summertime Pack Award** is a great way to plan and track this effort. Your pack can earn the NSPA certificate and streamer by planning and conducting three pack activities—one each in June, July, and August.

In addition, Dens can earn colorful ribbons if they achieve an average attendance of at least half their members at the three summer pack events. And Scouts who participate in all three pack events will earn the National Summertime Pack Award pin to wear on their uniform.

Just be sure to track attendance at each event by Scout and Den and complete the attached application form. Then scan the form and email to our District Executive, Keenan Pallone (keenan.pallone@scouting.org) and copy your pack commissioner.
