## From the Desk of the Commish:

While it is old news, the District still needs 9 persons willing to be trained and serve as Unit Commissioners. Over 20 FSK units are still without a Unit Commissioner. Contact me at FSKCommissioner@aol.com, if you would like to hear more about the job. The pay is fabulous and the rewards are very high.

November Roundtable attendance was 68% of our units. That is pretty good. However, I would like to see more units getting the benefits of Roundtable. 100% attendance on any given night may be unrealistic, but over 90% should be achievable. I ask your help on two things: (1) for units that do participate, encourage more Scouters to come and (2) for units that don't come to Roundtable, please give it a try.

This is also a good time to remind you of our **Inclement Weather Policy for Roundtable**. If the Frederick County Public Schools (FCPS) are off due to weather on Roundtable Tuesday, Roundtable is cancelled. Also, if FCPS releases schools early on Roundtable Tuesday and all after school activities are cancelled, Roundtable is also cancelled.

Looking ahead, units should be finalizing recharter activities and reviewing their progress on Journey to Excellence score sheets, which get turned in with recharter material. There is a recharter turn in at the LDS Stake Center on November 26 from 10 AM to noon. Units should also be doing semi-annual program planning and making a final decision, as needed, on 2017 summer long term camping.

Cub Scout leader Pow Wow is set for November 19 at Annandale High School. This is a fun training day for Cub Scout leaders new and old and I urge your attendance.

Many thanks to those units that participated in Scouting for Food this year. In my view, this is by far the best thing we do each year as a Scouting District. Please remember to report the number of participants and pounds of food collected.

Silver Beaver nominations are due to Jon Miller by November 30, 2016 and District Award of Merit nominations are due to Rich Golling or Shawn Youngberg by December 15, 2016.

New District Committee members will be elected in the near term. Thanks to the many Scouters who said "yes" when asked to serve in a District role.

Yours in Commissioner Service,

*Bill Desmond*  
District Commissioner

## Scouting for Food

Many thanks to everyone who took part in the Scouting for Food effort. It is our most important county wide GOOD TURN. Now, don't forget to record your effort by going to: <http://www.ncacbsa.org/scouting-fr-food-reporting>. Also, we can extend our good turn by bringing a canned food item to Roundtable each month at the Frederick Church of the Brethren.

## Submissions for District Communications

Thanks to our webmaster, Mark Miller, submissions for *Keynote* (weekly newsletter) and *The FSK Banner* (monthly newsletter) can now be made by using the following link:

<http://www.ncacbsa.org/francis-scott-key/francis-scott-key-banner/fsk-banner-and-keynote-submissions/>

## Emergency Preparedness by Mark Miller

FSK District is working toward completing the Emergency Preparedness District Gold Level Award. We need your help. In order to achieve this prestigious award we require 50% of units in the district to complete the activities outlined

here <http://www.scouting.org/scoutsource/Media/Publications/EmergencyPreparedness/award.aspx>. Scouts and scouters are encouraged to accomplish the individual awards as well.

Why is Emergency Preparedness important? Simply put, it is what scouts do. Also, it is what a good citizen should do. As part of a whole community program, emergency preparedness is every citizens responsibility.

If you have any questions, or need assistance in achieving the requirements, the point of contact for this activity is Mark Miller. He can be reached via email at [mappingman@gmail.com](mailto:mappingman@gmail.com), or [301-748-8626](tel:301-748-8626).

## Silver Beaver

The Silver Beaver award is the highest award given for distinguished service within the Council. If you know of someone who has made significant contributions to Scouting and to the community, please consider nominating that person for the Silver Beaver award. Nominations are due to Council via our District Executive, Jonathan Miller [jonathan.miller@Scouting.org](mailto:jonathan.miller@Scouting.org) by November 30. The nomination form is available at: <http://www.Scouting.org/filestore/pdf/92-103.pdf>

## Award of Merit

The District Award of Merit is the highest award that is given for service to the District. If you know of someone who has provided outstanding service at the District level, please consider making a nomination for the Award of Merit.

Nomination forms are due by December 15 to either [r\\_golling@yahoo.com](mailto:r_golling@yahoo.com) or [shawnyoungberg@comcast.net](mailto:shawnyoungberg@comcast.net).

Nomination forms are available at: <http://www.Scouting.org/filestore/pdf/33720.pdf>

## Training Opportunities

If you need basic training, are looking for supplemental training, or want to take a refresher, please contact Willian Lohr [wklohr@gmail.com](mailto:wklohr@gmail.com). Willian and his team will even come to your unit and do the training. Training is VERY important to good leadership and a quality program for the youth. If you need training, please contact William Lohr.

## *Troop 628's Trailblazer Klondike Derby*

Mush! Mush! Mush! Those words conjure up visions of dog sled teams dashing through the snow along the Iditarod Trail. It is the spirit of that race that Troop 628's Trailblazers Klondike Derby hopes to emulate on January 21, 2017 at the Walkersville Watershed.

The derby will have a number of activities to test the skill and knowledge of the participants. Are your Scouts up for a challenge?

The Derby is open to all Scout Troops, Crews, and Webelos. Troops and Crews are welcome to camp on Friday and Saturday nights per the unit leader's discretion. Webelos are welcome to come for the day only (8:30am to 5pm). The cost is \$20 per registrant and will

cover the event. Sled teams should consist of 8 – 10 scouts. Further details and registration packets are available from R.J. Grenier, Troop 628 at [grenierscout@gmail.com](mailto:grenierscout@gmail.com). Information will also be available at Roundtable. The Registration Deadline is January 12, 2017.

Come spend the day in the Artic exercising your skills, testing your knowledge and most of all HAVING FUN!

This competition is open to all District Scouts. The winner will receive a 2017 campership of \$300 to a BSA summer residence camp. ## 2017 CAMP CARD - FREQUENTLY ASKED QUESTIONS

1. **The Camp Card is \$5.00. What is the break down on where the money goes?**
  - A. The commission plan is 50% if closed out by May Roundtable or by May 15th. Your unit retains \$2.50 per card sold. The other \$2.50 per card is turned in to the council via Roundtable, mail, or visiting the service center. The council pays for the production of the cards and the securing of the coupons and has the associated risk of unsold cards.
2. **One of the Scouts said he lost the cards? What do we do?**
  - A. Due to the production costs of the cards and securing the vendors, we need to assume that the cards are used or sold. We only collect \$2.50 per card that is considered lost. Please collect the \$2.50 from the family.
3. **Are there any prizes or patches?**
  - A. Our goal is to keep this sale really simple. We want to maximize the return to the unit and the council. If desired, you can establish an incentive in your unit. The card is designed to help offset camp fees for the Scouts and that takes actual cash.
4. **Can I sell in front of the stores listed on the card?**
  - A. The stores listed on the camp card always like new customers in addition to their existing ones. Please consider other places to sell them before approaching the stores. When you approach the store, please work with the manager and respect their answer. Many will say yes. Some may indicate that the property does not permit sales.
5. **Can my family buy \$100 worth and use the coupons? It seems too good to be true?**
  - A. Yes, as a family, you can buy the cards for your own use and use the coupons. Yes, it seems funny that you spend \$100 and get more back over time, but that is how we set the price point. We wanted to make it a win-win all around. Your family can recoup the cost of the cards in a few visits to the stores listed.
6. **Can another youth group sell these cards? Or only Scouts?**
  - A. These cards can be sold by any group that is officially chartered by the BSA or an Explorer Post. Other groups cannot sell them and we will not issue the cards to them.
7. **How do we get more cards? They are selling fast.**
  - A. Please contact [CampCard@NCACBSA.org](mailto:CampCard@NCACBSA.org) to request more cards. You will be requested to turn in the funds associated with your initial order so you can pick up more. The reason for this is because the success of the sale comes down to available inventory and motivated sellers. If Camp Cards are locked up in someone's trunk and turned in later, no one benefitted. Additional cards can be relayed through your district executive, mailed if needed, or picked up directly at the service center.
8. **Can adults sell the cards too?**
  - A. Yes, please help your own Scouts by selling the cards at work, school, and your place of worship. Each friend should see the value in the \$5 camp card and getting their \$5 right back. Encourage them to by multiples. The cards are good all year.
9. **I heard some other supermarkets like Harris-Teeter will accept the Safeway coupon. Is this true?**
  - A. Please check with the local store on their policy. Some retailers DO accept other retailer coupons, some do not. You can always try, but avoid making this a selling point to the consumer.
10. **Can we wear uniforms to sell the Camp Card?**
  - A. Yes, since it is a council level money earning project, you are permitted to wear the BSA uniform. Popcorn and Camp Cards are the only council level approved money earning projects. All other projects must have approval to wear the uniform.
11. **For the \$2.50 that is retained as a unit commission, where does that go?**
  - A. It is essential that the unit committee establish how camp fees will be offset by the sale of Camp Cards. Most groups use it to lower everyone's cost by paying a portion of fees. The front of the card indicates that the overall Scout unit benefits, not just one person. This \$2.50 does not have to be used for camp but can be used for anything Scouting related.
12. **Can we sell the card for a different amount?**
  - A. The front of the card says "Just \$5", so your customers may lose confidence in you and the product. Please do not discount the card or sell it for above the asking price. The price point has been proven in other nationwide sales to be on target with the discounts offered.
