From the Desk of the Commish:

We had a great turnout at August Roundtable. The September 12 Roundtable is our annual Picnic at the Walkersville Watershed; this year's Picnic will also include a Council Court of Honor. Cost is \$5 per person and a side dish to share. Reservations are needed so we can purchase food and staples. Reservations can be made by contacting me at FSKCommissioner@aol.com; please use PICNIC in the title.

Also, the George Delaplaine Distinguished Citizen Award dinner is on September 13 at the Hood College Volpe Athletic Center. We are honoring Dean Olivia White from the college. We need help from Scouting units (e.g., flag detail, pinewood derby demo, and safety escorts). Thanks to Troop 470 for taking on the "simulated campsite." Please let me know if you want details on these assignments or are willing to help. Any Scouter attending in uniform gets the discount price of \$50. Reservations can be made at www.ncacbsa.org/Delaplaine.

Now is a great time to be reviewing leader training and Youth Protection needs. Let's get these updates behind us before we start the dreaded "recharter season."

Finally, I am still in need of a few more Scouters to fill our Commissioners Corps and ensure that every FSK unit has a Unit Commissioner. It really is a good job and only takes an hour a week.

Yours in Commissioner Service,
Bill Desmond
District Commissioner

FSK District Radio Scouting - Camporee & JOTA By Joe Durnal

The FSK District Fall STEM Camporee, October 13-15 will include an Amateur Radio component. I'm looking for a few other Amateur Radio Operators to assist in delivering a Radio Merit Badge class & radio demonstration. The following Saturday, October 21 is the Jamboree on the Air. All scouts are invited to return to contact other scouts.

As far as equipment goes : I should have no trouble getting HF on the air but I would like a DSTAR setup as well in case propagation isn't cooperating. I could also use a good surface for projecting slides for the merit badge class.

Contact : Joseph M. Durnal - Joseph.Durnal@gmail.com

See camporee flyer on page 11.

In the Streets and JSN By Rick Millward

Fall Join Scouting is coming up, and Frederick has a large event that can help reach out to potential Scouts of all ages. It is the "Frederick In The Streets" celebration Saturday, September 9. For at least 7 years, a Join Scouting booth has been present in the children's block of the festival. Our mission is to tell our stories of Scouting, talk to parents and kids about Scouting, and to recruit them, if possible. We need some parents and leader volunteers that are enthusiastic about Scouting and are willing to man the booth to talk to those parents and kids about Scouting and to share their positive experiences within Scouting and to give them information to put them in touch with the unit nearest them. We do not handle registration or money or applications there, this is just recruiting and facilitating contacts. The event goes from 11-5, but we start setting up around 9:30. Volunteers can be there the whole day and take breaks if we have enough volunteers, or they can sign up for a certain number of hours. It would be great if we could get some experienced volunteers from the upper levels of Scouting, such as Explorers and Venturing, so that they can reach out to that age group. Scouts are also welcome.

We are also looking for a simple game or activity for younger kids that can fit in a 10' x 10' area to keep young ones occupied and engaged so the parents can talk. Scout guidelines on the games, and no balloons and nothing that travels significant distances in any direction. We have been using a penny pitch for many years, but feel we need a change, as it's getting a little worn and stale. We have the Join Scouting tent from Council and hand out literature and other promotional items as supplied by Council. We also teach the square knot and hand out square knot neckerchief slides to potential and current Scouts. Other activity ideas are sought and welcomed.

Volunteers and people with activity ideas can contact Rick Millward ASAP at 240-675-4037 or rjcjmill@comcast.net. Please help support this. It just may result in a new member (or several) for your unit. Thank you in advance for your support.

Wood Badge Fall Course Still Open!

Please join three of your fellow FSK District Scouters (Debbie Crabb, Joe Durnal, and Rick Rogers) at the Fall Wood Badge course!

Our course incorporates the traditions of over 80 years of Wood Badge, while adding the management and leadership training necessary to become a successful leader. Wood Badge is more than a classroom; it's entertaining, fun games, hands-on projects, team building, and inspirational events. You will come away with an appreciation of Scouting's heritage, as well as a vision of the role you will play in its future, and the impact you will make on the youth in your own unit, the district and our Council. Participation in this course will provide skills to help you achieve success in other aspects of your life... like home, or in your career!

The course is held over two three day weekends, September 8-10, and October 7-9. For more information go to: <https://www.ncacbsa.org/training/wood-badge/>.

2017 George Delaplaine Distinguished Citizen Award Honoree

By Bill Desmond, FSK District Commissioner

The Francis Scott Key District, Boy Scouts of America, annually presents the George Delaplaine Distinguished Citizen Award to an outstanding Frederick County citizen who has lived their life according to the ideals of the Scout Oath and Law.

The 2017 honoree is Olivia G. White, Ph.D., Vice President for Student Life and Dean of Students at Hood College in Frederick. Dr. White has a lifelong dedication in service to youth and to the betterment of her community. She has been active in the Frederick County and Maryland Chapters of Delta Sigma Theta Sorority, a board member of the UNESCO Center for Peace, the Weinberg Center for the Arts, and in the Rotary Club of Carroll Creek, where she is a past president. Dr. White is also the co-director of the Education Ministry at the Beltway Church of Christ. She has served in leadership and advisory roles for the Advocates for Homeless Families, St. John's Catholic Prep, Heartly House, the Frederick Alliance for Youth, the Program Historic Sites Consortium, and the African American Resources-Cultural and Heritage Museum Task Force. She has been an active participant and leader in civil rights discussions in Frederick County, including serving as the co-chair of the 2014 year-long "Realizing the Dream" events at Hood College. Her duties and responsibilities at Hood College have helped bring national attention and recognition to the college.

Dr. White will be presented the 22nd annual George Delaplaine Distinguished Citizen Award at a dinner in her honor on September 13, 2017 at the Ronald J. Volpe Athletic Center at Hood College. Additional information, including table sponsorships and ticket sales can be found at www.ncacbsa.org/delaplaine. The 2017 Event Chair is Mr. Ted Luck of Frederick.

Funds raised through this event benefits the National Capital Area Council, Boy Scouts of America. Approximately 88% of the Council's annual \$10 M budget is spent on direct support for youth programs, which include camp scholarships, uniforms, registration fees for youth who would otherwise be unable to participate, Scout camps and other facilities, youth and leader training, and for professional staff who counsel, guide and inspire volunteer leadership.

There are approximately 2100 youth and 1000 plus adult volunteers who participate in Scouting programs in Frederick County. Boys can begin Scouting at age 5 as Lion Scouts and progress to Boy Scouts at age 11. Venturing, Sea Scouting and Exploring programs are open to young men and women ages 14 to 21. The National Capital Area Council and the Francis Scott Key District are indebted to Mr. George Delaplaine, a Distinguished Eagle Scout, and to Mrs. Marlene Young, President, Delaplaine Foundation, Inc., for their continuing generosity and outstanding support to Scouting.

The cost of attendance for Scouters in uniform is \$50.

Merit Badge Afloat FAQ's

1. What if it rains that weekend?

The event will be held rain or shine. If weather conditions are unsafe for sailing, other activities will be done on land until weather conditions improve. *All Guide to Safe Scouting requirements will be followed.* In the unlikely event that the event is cancelled due to severe weather conditions, the payment will be refunded. A rain jacket is a must.

2. Can my Scout come only one day and earn just one of the Merit Badges?

NO. Activities from each of the merit badges are covered on both days, so if a Scout attends just one day, only part of the merit badges will be completed. To best utilize all our sailboats and offer each Scout the best sailing experience, we will have some youth on the water while some are ashore competing land skills.

3. Will my Scout actually sail a boat?

YES. Scouts will spend a great deal of time on the water in one of our small sailboats. There will be a very experienced teen Sea Scout on each boat as Sailing Instructors supervised by very experienced sailing adult leaders, but the Scouts at the event will be allowed, and eventually expected, to handle their boat.

4. Is there a limit to attendance as to the number of Scouts from any one Unit?

YES. A Scout may come as an individual, or a single Troop may sign up five (5) Scouts from any one Unit to attend Merit Badges Afloat.

5. Can the adults attending sail as well?

NO. Unfortunately, we must limit this event to youth only due to the number of sailboats we own and have available for use; but you are more than welcome to stay and take those great picture moments.

6. What are the overall qualifications of the adults-in-charge?

Our adult leaders have many years of sailing and Scouting experience. They are trained Boys Scouts of America National Aquatics Supervisors plus American Red Cross Waterfront & Pool Lifeguard and Wilderness First Aid certified.
