## The Value of Unplugging

I recently saw a [study](#) that looked into the technology habits of children, and some of the results really got me thinking about the benefits of the Cub Scouts experience. This study showed that on average, children between 5 and 8 now spend almost three hours each day in front of a screen. Similarly, 42 percent of children under 9 have their own tablet device, up from just 1 percent in 2011.

While there is no definitive rule for the right amount of time a child should spend engaging with technology, most researchers and pediatricians agree that limiting screen time is better for cognitive and social development. This is why I'm glad Scouting can be a place where kids spend time sharing fun, real-world experiences with their peers and families.

By introducing children to new experiences, the Cub Scouting program helps capture their creativity and encourage exploration. Cub Scouts offers many ways for kids to practice having low-tech fun: going on outdoor adventures, creating cars and rockets through derbies or helping the community through service projects. These experiences not only pay off in terms of development, but they also may start habits or hobbies that last for a lifetime!

Technology has an important place in all of our lives, though, so we also want to educate young people about how to use technology safely. This is why we offer the Cyber Chip program starting in Cub Scouts. Each year, young people can access age-appropriate lessons on topics such as cyber bullying, cell phone use, texting, blogging, gaming and identity theft. It's a good way to ensure children can experience the benefits and avoid the downsides of devices, while encouraging families to have important conversations about technology.

I hope Scouting family members of all ages will consider making a habit of regularly unplugging to spend screen-free quality time with friends and family. Getting device-free time can require intention and discipline, but it's a wonderful way to remind ourselves that technology is merely a tool that should facilitate our relationships and interests, not define them.

### Journey to Excellence 2020

Now that rechartering is complete and your unit has achieved some level of Excellence, now is the time to think about recording the improvement of performance for your unit if you did not submit a Journey to Excellence scorecard.

These score cards are important as they serve as a framework for planning the next year, a superb method to evaluate your unit, and a great method for guidance on how to improve unit performance. Other great reasons for using this scorecard are specific guidelines are available to measure performance, provides early warning for potential problems and finally good recognition for the year if your unit scores Bronze, Silver or Gold level performance.

Click on this link [www.scouting.org/awards/journey-to-excellence/unit/](http://www.scouting.org/awards/journey-to-excellence/unit/) link to download the 2020 scorecards. These scorecards are turned into District during each Unit Recharter. Begin your Journey to Excellence today!

### Farewell from Todd Bolick

Dear Goose Creek District,

This past year has been one of many successes and challenges for our district! Through the year that I have served as the Goose Creek District Director, we have started 9 new units, had an extremely successful Loudoun County Good Scout Award event, enjoyed fun district activities, and seen hundreds of new Eagle Scouts, Cub Scouts, STEM Scouts, Explorers, and girls in the Scouts BSA program! I am proud of the successes that we have accomplished together.

Effective February 1, I will be transitioning to serve as the professional for our neighboring district, Powhatan. Later in February, Goose Creek will be supported by a new professional, Senior District Executive, Jake Straub. He is moving to our council from another council in the mid-west where he currently serves as a professional. I have already begun helping him to learn about Goose Creek and will continue to help through the transition.

Starting on February 1, please contact Mountain West Field Director, Tonya Dobbins at [Tonya.Dobbins@scouting.org](mailto:Tonya.Dobbins@scouting.org), for when you need professional Scouting support. The new Senior District Executive will start on February 16th and you can work with him at that point, once he begins.

Thank you for your help and leadership of Goose Creek District and our 4,498 Scouts! I'm sure I'll still see and work with many of you in the future as we continue our mission of bringing the world's foremost program for youth to the youth of our communities.

YiS,

Todd Bolick

Goose Creek District Director

## District Court of Honor

It's that time of year — time to recognize those amazing Scouters who've made a huge difference in the lives of young people here in Goose Creek District - NCAC. All Goose Creek Packs, Troops, Crews and Ships are invited to the Goose Creek District Annual Court of Honor on Wednesday, April 29, 2020, at the Leesburg United Methodist Church, 107 W Market Street, Leesburg, VA 20176. Special recipients include the District Award of Merit, District Key 3 Awards, and the Unit Volunteer of the Year awards.

We will gather at 7:00pm, open the ceremony at 7:30pm and close with a dessert reception following. Each unit is asked to contribute a dessert to share, preferably cut into single servings.

In addition to recognizing our adult volunteers, we invite all 2019 Eagle Scouts to please come in Full Class A Uniform for a special recognition.

The Boy Scouts of America is a volunteer organization which relies on dedicated volunteers. If you haven't yet recognized that special volunteer from your unit as the Unit Volunteer of the Year, you still have time. Please submit:

- Your name
- The Unit volunteer of the Year's name (one per unit)
- Unit type (Troop, Crew, Pack, Ship) and number (1154)
- A short description of how this leader upholds the ideals of scouting in your unit

Send this to [stevewolfson@verizon.net](mailto:stevewolfson@verizon.net). Please put your unit, number and unit volunteer of the year in the Subject field of the email (ex., Troop 43 Unit Volunteer of the Year or Crew 7070 Unit Volunteer of the Year)

Unit Volunteer of the Year nominations are due April 13, 2020.

Thank you for all you do for scouting and we look forward to seeing you at the Goose Creek District Court of Honor!

## Charter Presentation Ceremony

Did you know there is a celebration for achieving recharter? Yes, there is. It is a small ceremony given by a member of the Commissioner Corp to a unit's Scouts, leaders and parents. It is usually conducted at a unit meeting or special occasion. How to do this? Easy. The unit key 3 has the ability to download and print the Charter Certificate from <http://my.scouting.org/>. Each unit has the choice to print on certificate-grade paper or other suitable grade.

Contact your Unit Commissioner to perform the ceremony. If your unit doesn't have a Commissioner or don't know him or her, visit our Commissioner Corner <https://www.ncacbsa.org/goose-creek/commissioner-corner/> on our District website or contact District Commissioner, Scott Bashore, [scott.bashore@goosecreekdistrict.org](mailto:scott.bashore@goosecreekdistrict.org) to get one assigned. It is a very special ceremony (how special?) Very Special! so don't miss out!

## Spring Camporee 2020

The Goose Creek Spring Camporee will be held on March 27-29 and will take place at Camp Highroad (21164 Steptoe Hill Road, Middleburg, VA 20117). This Camporee will focus on outdoor Scouting fun as embodied in the theme, "Outdoor Adventure Challenge." Scouts BSA Troops, Varsity Teams and Venturing Crews are all welcome to join the fun.

Like last year, the Camporee will consist of two major events: a set of patrol challenges for half the day and a variety of Adventure choices the other half of the day. Extra fees will apply for Scouts participating in the "High Adventure" program activities. Each Unit will have an assigned period for each event, so that everyone will have equal opportunity for full participation.

Please contact Charles Thornton (Camporee Director) at [scouterchalis@gmail.com](mailto:scouterchalis@gmail.com) or call 571-420-1035 with your questions.

### Scouts at Purcellville Cannons Game

Scouts are welcome to the Purcellville Cannons Collegiate Summer Baseball game on Saturday, June 6, 2020 when they play against the New Market Rebels. Gates will open at 5:30 pm and game will start at 7:00 pm. Cub Scouts can run the bases! This baseball park is a great setting for Lions and Tigers!

Please e-mail [ElizabethEsper@yahoo.com](mailto:ElizabethEsper@yahoo.com) with your video audition for this opportunity. Please remember to copy your parent's e-mail address in that e-mail.

We would also need a Scout flag detail for this event prior to the start of the game. Please have your Scoutmaster and/or Committee Chair contact Elizabeth Esper if your unit would like to provide Scout Flag Detail for this game.

There are plenty of choices for food at the concession stands and there is a small field next to the baseball park if anyone needs to stretch their legs in between innings. Great time to play catch with your baseball mitt. Coming changes for 2020 will be faster streamlined heat races, Open Class available to everyone and new Outlaw MOD Class to stir on STEM innovations and deliver some crazy speeds! There are also new sponsorship opportunities to support this event.

**Location:** Sanders Corner Elementary School, 43100 Ashburn Farm Pkwy, Ashburn, VA 20147

**Website:** <https://facebook.us16.list-manage.com/track/click?u=2cf68613e5a2be5928a564e54&id=d8e63ff9a4&e=2bdeed10e3>

### Who Qualifies?

Any Cub Scout who placed 1st thru 5th in their Den Rank (Lions, Tigers, Wolves, Bears, Webelos, Arrow of Light) at their Pack Pinewood Derby are eligible to attend. As a result, each pack may have as many as 30 scouts eligible for the district race. Friends, family of racers or any scouts who were not able to participate in their local pack race may participate in the Open Race.

### Trophies and Medals

Each Rank Division (Lion, Tiger, Wolf, Bear, Webelos, Arrow of Light) and Open will be awarded a 1st, 2nd, 3rd, 4th, & 5th Place Speed Award and one Best Design. Outlaw class will be awarded 1st, 2nd and 3rd Place Speed Award. Grand Finals Championship will be awarded an overall 1st, 2nd, 3rd, 4th, & 5th Place Speed Award.

### Race Rule Changes

The 2020 Race rules have received a format change with additional illustrations and clarifications. Notable rule clarifications on axle and wheel alignment (rule 29), wheel thickness (rule 30) and section V. Outlaw Mod Class. The spirit of the Outlaw Mod Class is to push the limits of modification with an official pinewood derby car kit. Max weight of a non-Outlaw class is still 5.00 oz, where the precision of the weight scales will be set to .01 (hundredths place), therefore a car weighing 5.009 oz is considered as the legal weight of 5.00 oz.

### Registration

Registration: \$5.00 (+processing) per participant (online or in-person). Every participant will receive a Collector's Patch.

## Loudoun Chamber is Celebrating Leap Year with Leap of Kindness Day 2020

#LeapOfKindnessDay

2020 is a Leap Year, which means we all get an extra day on February 29th. The Loudoun Chamber is inviting all Loudouners to make February 29th Leap Of Kindness Day and use that extra day to commit random acts of kindness for others in our community.

Founded in 2016 by the Saratoga County (NY) Chamber of Commerce, Leap Of Kindness Day has become a national movement, with more than 50 Chamber across 30 states now participating.

Any organization – businesses, schools, Clubs, government agencies – can participate by registering with the Loudoun Chamber committing to perform one random act of kindness in Loudoun.

Participants may choose their own act of kindness, though the Chamber has compiled a list of suggestions. Both the registration form and list of Leap Of Kindness Day ideas can be found at

<https://www.loudounchamber.org/leapofkindnessday/>.

“The beauty of Leap Of Kindness Day is its simplicity. All we are asking is that Loudouners perform simple acts of kindness for their neighbors. Whether it’s a food or clothing drive, thanking our first responders or veterans or brightening the day of nursing home residents, these simple acts of kindness, repeated multiple times across Loudoun, will have a powerful cumulative effect on our community,” said Chamber President Tony Howard.

The Loudoun Chamber is partnering with Loudoun Cares to provide a list local nonprofits and others that would benefit from donations of time or materials. That list can be found [here](#).

Participants are also asked to take photo of their activities and post to social media, using the hashtag #LeapOfKindnessDay.

“And you don’t have to wait until February 29th to get started. Start now by organizing your workplace, school, club or house of worship to collect needed items, make a volunteer commitment, send thank you notes, flowers or anything else to group you choose to support. “No #ActofKindness is too small or will go unappreciated,” Howard added.

## Goose Creek Help Wanted (actually, Help Desperately Needed)

Does your Pack rely on a strong JSN to keep your unit healthy? Does your Troop rely on District Events such as the Camporee, Freeze-o-ree and others to help deliver the best possible program to your Scouts? In order for this to continue to happen, the Goose Creek District Committee is in need of your help to grow the Membership and Development Committee. Work directly with the Vice Chairs and other committee members to help strengthen and grow Scouting in Goose Creek. Experienced and novice Scouters all have the ability to contribute and many hands will make light work. Please consider helping the Goose Creek Committee today!

## Advancement News for the New Year

As we move forward into 2020, the Boy Scouts of America's advancement team is out with a few reminders and new advice on the ongoing quest for one of our most visible methods – advancement.

- The evolution of *Scoutbook* brings us new opportunities to manage our programs. For example, the Den Leader Experience Tool will soon allow den leaders to better visualize their den program by scheduling meetings around the topic of each required Adventure and to set up meetings covering the elective Adventures as well. Once entered, the system allows the completion of each Adventure to be automatically posted for Scouts who attend and participate. The calendar can be distributed to parents, so they'll know what is going to be covered at each den meeting, further streamlining the process and allowing parents to plan to help their Scout complete the requirements covered at a meeting where the Scout was absent. The demo mode lets den leaders preview what the site looks like, create a sample calendar and post advancement. There are also helpful videos on a variety of topics from rank requirements to managing your den and maintaining order at den meetings.
- There's updated guidance on the temporary transition rules for new members entering ScoutsBSA. The rules, announced earlier, allow for an extension of time for certain older youth who join to complete the requirements for the Eagle Scout rank.
- In an article titled *The Power of Suggestion*, adult leaders are cautioned about making "suggestions" to Scouts in a manner that they carry the weight of a requirement instead. An example given cites frequently-discussed guidelines for the amount of time to be spent working on an Eagle Scout leadership service project. If the Scoutmaster suggests, say, one hundred hours, the Scout is likely to interpret that as an expectation, in much the same way that a "suggestion" from your boss that the report you're working on should be completed today is likely taken as a directive. Put yourself in the place of the youth, who look up to and take direction from adults as a matter of course, and find another way to express what you're saying. When you think about it, setting the expectation of one hundred hours for an Eagle project also implies that merely putting in those hours meets the requirement, regardless of effort expended or leadership demonstrated. Emphasize the actual requirement, praise incremental progress, and offer guidance through asking thoughtful questions.
- The topic of receiving dual credit for awards earned in Venturing and ScoutsBSA is discussed. While ranks up through First Class must be earned while registered in ScoutsBSA, the requirements for Star, Life and Eagle Scout can also be earned through participation in a Venturing crew or a Sea Scout ship up through age eighteen.
- There's ongoing advice on handling group instruction of merit badges, including the caveats cited in the *Guide to Advancement* regarding the use of registered Merit Badge Counselors, the expectation that requirements may only be partially completed in the session and follow-up visits with a counselor may be required to finish the badge, and the requirement that each Scout must individually demonstrate completion of the requirements for which credit is given.
- The concept of positions of responsibility for Cub Scouts is introduced, following a yearlong study of how the methods of Scouting are enhanced through leadership roles taken on by youth. While no specifics are given, and while the only formal youth position of responsibility in Cub Scouting is the Denner, it bears watching to see what the research finds. Many informal roles can be implemented in Cub Scouting, such as flag detail leader, skit leader, snackmaster, and others.

### Buy this Patch to Help Our Fellow Scouts Affected by the Fires in Australia

When disaster strikes, Scouts step up. They've been there after tornadoes, wildfires and hurricanes destroyed homes and uprooted lives in communities across our country. This time, even though the disaster is a little farther from home, it affects the Scouting family all the same.

Scouts Australia is selling patches to benefit Scouts who lost their homes in the country's devastating wildfires. Their goal: to make sure these Scouts can "remain connected to Scouting as they work through this traumatic period," according to Scouts Australia's official site: <https://scoutshop.com.au/products/bushfire-badge>

Like the Boy Scouts of America, Scouts Australia is a member of the World Organization of the Scout Movement. There are more than 50 million Scouts across 171 countries, and these Aussie Scouts wear the purple World Crest just like we do.

The patches cost 5 Australian dollars each — about \$3.44. The patches themselves were donated to Scouts Australia by an Australian outdoor clothing retailer, meaning 100% of the proceeds will benefit Scouts.

But heads up: Shipping patches 9,000 miles isn't cheap. Postage to the U.S. will cost you a flat 40 Australian dollars (\$27), whether you're ordering one patch or 100. If you do plan to order the patch, Scouts Australia suggests combining orders with other packs, troops, ships or crews in your area.

As of Jan. 22, 2020, Scouts Australia has sold 30,000 badges and raised AU\$150,000 — about \$103,000. Together, let's help get that number even higher.

### 2020 Goshen Family Camp

When:

- Memorial Day Weekend, Friday 05-22-2020 5:00 PM ET to Monday 05-25-2020 11:00 AM ET.
- Labor Day Weekend, Friday 09-04-2020 5:00 PM ET to Monday 09-07-2020 11:00 AM ET

Cost: \$20 per person (non-refundable)

## Seasonal Options at High-Adventure Bases

While many of us just think about going to one of BSA's high-adventure camps during the summer, these camps actually have almost year-round activities to choose from.

Ski trip is one of several winter adventures Philmont has; others include ice fishing and cross-country skiing. You could also go to Philmont in the autumn and try fly fishing, rock climbing or mountain biking.

At Northern Tier, you can choose a canoe trek in the summer or a winter adventure at one of two locations, the newest site being Gerber Scout Reservation in Twin Lakes, Mich., where Scouts can enjoy fat tire biking. Dog sled treks are available at the base in Ely, Minn.

Sea Base also has treks in the winter, spring and summer.

The Summit has programs in summer, autumn, and new this year, winter, which includes housing and program opportunities for Scouts and Venturers at the nearby Winterplace Ski Resort.

## Northern Tier High Adventure Bases Training

Crew chiefs and adult advisors for any crews headed to Northern Tier in 2020 are invited to this orientation program presented by the NCAC High Adventure Committee. Our training covers a bit of history, an overview of the three NT bases, what to expect upon arrival, life on the trail, and tips on how to improve your treks. Sign-in starts at 0830, training begins at 0900 and lasts about 5 hours (depending on questions). There is no cost; bring your own snacks and hydration.

When:

- 03-07-2020 8:30PM to 2:30PM
- 03-28-2020 8:30PM to 2:30PM
- 04-25-2020 8:30PM to 2:30PM

Where: Truro Church, 10520 Main St, Fairfax, VA 22030

## NCAC Philmont Training

NCAC High Adventure Committee Training: Philmont Skills Training for Adult Advisors & Crew Leaders Open to all 2020 Philmont-bound crews in NCAC.

When: 03-14-2020 9:00AM to 4:00PM

Where: Izaak Walton League, 19237 Mountain Spring Ln, Leesburg, VA 20175

## Scholarships

Dozens of universities, BSA local councils, and religious, civic, and military organizations offer college scholarships to Eagle Scouts and Venturing Summit Award Recipients. Some scholarships are needs-based; others are merit-based. Some go to everyone who applies; others are highly competitive. A listing of these can be found at [www.scouting.org/awards/scholarships/](http://www.scouting.org/awards/scholarships/)

## Roger C. Mosby, the new President and CEO of the Boy Scouts of America

The story of Roger C. Mosby's introduction to Scouting is one to which many of us can relate: When his oldest son first signed up for Cub Scouts, he walked into a parent orientation meeting not knowing exactly what to expect.

One hour later, he walked out as the Cubmaster.

That started him down a path of more than 30 years as a Scouting volunteer, including time as Cubmaster of two different packs, Scoutmaster of one troop and committee chair of two different troops. He served in volunteer positions with Mid-America and Sam Houston Area councils before serving as the Southern Region Area Commissioner, Sothern Region Youth Protection Chair, and Audit Committee Chair of the World Organization of the Scout Movement.

Mosby is the first person in his position since James E. West — the BSA's first professional Executive Secretary (as it was called back in 1911) — who wasn't already a BSA professional when he accepted the position. Unlike his predecessors at the National Council of the Boy Scouts of America, Mosby's title is not Chief Scout Executive. That title is reserved for commissioned BSA professionals — that is, full-time employees of the BSA who have undergone the required amount of training.

When he wasn't volunteering, Mosby's day job included running the entire Human Resources operation for more than 11,000 employees as a vice president at leading energy infrastructure company Kinder Morgan, before retiring in 2015 and running his own consulting firm focused on executive coaching.

During all of this, three of his four sons earned the rank of Eagle.

Just a couple of weeks into his new job with the BSA, Mosby was kind enough to take some time out of his busy schedule to speak about his goals for the BSA, his time as a Navy photographer in Vietnam and his favorite memory from his time as a Scout leader. To see this interview go to:

## Participant registration now open for the 2021 National Jamboree

A celebration that happens just once every four years. World-class venues packed with incredible moments. A spirit of unity, patriotism and courage.

Turns out the National Jamboree and the Summer Olympics share a lot of similarities — with one exception: At a National Jamboree, everyone leaves a winner.

Participant registration is now open for the 2021 National Jamboree, to be held July 21–30, 2021, at the Summit Bechtel Reserve, the BSA's gold-medal-caliber high-adventure base in West Virginia.

A National Jamboree will happen only once or twice during a young person's time in Scouts BSA, Venturing or Sea Scouting. That's why many people, myself included, call a National Jamboree a "flagship BSA experience."

Over the course of 10 days, Jamboree participants will experience unforgettable adventures they'll remember all their lives. They can experience the Summit's legendary adventure sports programs, earn merit badges, enjoy stadium shows and trade patches with Scouts from all 50 states and many foreign countries.

In doing all that, Jamboree participants join a tradition that has been a part of the BSA since the very first National Jamboree in 1937.

### Participant requirements

- Have a current BSA membership.
- Be at least 12 by the first day of the Jamboree (July 21, 2021) but not yet 18 by the last day of the Jamboree (July 30, 2021). If your Scout will be too old to be a youth participant, they should consider applying for an adult leader role or Jamboree Service Team (staff) position.
- Be approved by the unit leader and local council.
- Have an appropriate parent/guardian to complete the online parental consent. (An email will be sent to the parent/guardian during the application process.)
- Participate in pre-Jamboree training experience with their local council and unit leader.
- Submit their BSA Annual Health & Medical Record using the online Jamboree submission process. (The AHMR must be dated on or after July 1, 2020.)
- Submit all registration fees per the local council's payment schedule.

The cost for participants will be \$1,175. Learn more and register at <https://jamboree.scouting.org/>.

## Preparing for Emergencies

Emergencies arise when we do not expect them and can be caused by winter weather, power outages, flooding, and thunderstorms. After an emergency, you may need to survive on your own for several days. Being prepared means having your own food, water and other supplies to last for at least 72 hours.

Check [www.ready.gov](http://www.ready.gov) for what to do about different types of emergencies, how to make an emergency plan, and how to put together an emergency kit.

## February 2020 – Cultivating New Leaders

This month, let's talk about Cultivating New Leaders, also called Succession Planning: Having the right person in place to take over if, for whatever reason, a scoutmaster, assistant scoutmaster or committee member needs to bow out of his or her commitment. There's a little more to it than just having the first available warm body fill the vacant slot. You need to find the right person. And we have the right person to help us figure out how to do that – Donna Ragusa, the SBSA National Committee-Recruitment and Retention Task Force Chair.
