## 2016 Patriot District Pinewood Derby: Another Great Day of Scout Fun

The annual Patriot District Pinewood Derby – the Super Bowl of Cub Scouting – was held on Saturday, March 5, at Living Savior Lutheran Church in Fairfax Station. The event was a great success again this year, with participation from every Patriot District Pack and more than 150 Cub Scouts competing. This was the first year in recent history that each Patriot District Pack was represented. Competing Cub Scouts, all first-place winners in their Packs, in either the Speed or Show categories, competed in their respective Tiger, Wolf, Bear, Webelos, or Arrow of Light Dens. Throughout the day, in typical Patriot District tradition, Cub Scouts displayed parent-proud good sportsmanship. Joining the competitors were several hundred accompanying parents, siblings, and friends who arrived in waves to share in the fun throughout the day.

Returning again this year, Pete Griffiths, Pack 1101, provided leadership as the Patriot District Pinewood Derby Chairman. This was Pete’s sixth year running the District competition, and he not only led the preparations for the race, including managing registration and finances, but he also served as Race Director and track/timing engineer. Everyone enjoyed watching the racing instant replay via on loaner projectors (thanks, Bill Snowden!) and the racers took their turns starting each Speed heat with the newly-built starting plunger. A brief memorial was held before the race for the former “official” starting plunger that met an untimely demise at the hands of an over-eager Patriot District Wolf Cub last year(!).

Also returning this year as Masters of Ceremony were Andy Chaves (Pack 1101 Cubmaster) and Joe Margraf (Troop 1346 Scoutmaster), who and provided Cubs and parents alike their non-stop, always-stay-on-your-toes narration. Several unusual characters showed up again this year (all of which looking remarkably like Mr. Margraf), including “Lost Tiger Shark,” Mr. Scruffy-Long-Beard-Scout-Wannabe, The Monk, “Miss-placed”-Brownie-Scout, Scout-Spiderman, and many others.

For the speed competition, each car category raced once in each of three lanes and the lowest average times were used to determine first, second, and third place winners for each of the five Dens. As is the case each year, times were amazingly close! Racers in the Webelos Den witnessed one outcome that was separated by only

four ten-thousandths of a second (that's 0.0004)! For the Show category, cars were judged by five Boy Scouts from Troop 1346: Brandan H., Tommy R., Eric B., Lucas K., and Kavanaugh R. Cars were judged based on outstanding creativity and craftsmanship determining winners for each of the dens.

Other Boy Scouts from Troop 1346 (Ashton B. and Linus B.) helped by migrating cars from registration to the Speed Impound Lot or Show judging area and also sequencing from the finish line back to the start between races; this is a key activity and critical in keeping the event moving along. Also assisting this year were Pete Griffiths' sons, Peter and Max. who helped monitor racing software and lined-up cars for starting of each heat. Both boys are former Patriot District Pinewood Derby competitors.

Like many other Cub Scout and Boy Scout activities, the Patriot District Pinewood Derby is a major undertaking that could not succeed without the help of many capable and dedicated volunteers. Thanks to Pete Griffiths, Joe Margraf and Andy Chaves for their invaluable leadership in key roles, as already noted. And special thanks to Greg Wagner who was the official race starter again this year; Bill Dexter (Patriot District Committee) and Joe Casey for running the event registration desks; Steve Smith (Patriot District Committee) for efficient organization and management of Pit Row activities from start to finish; Scouts from 1346 who served as Judges for the Show category and in event logistics operations; Bill Snowden (Patriot District Deputy Chair) for help with setup, food, and photography; and Tim Yeager (Pack 1101) for transporting the track to/from the event. We also extend our appreciation to Pack 1101 for the use of its excellent track, precise and reliable timing hard/software, and instant replay (always a hit!). Lastly, a special thanks to everyone who participated in the setup on Friday night and those who stuck around after for takedown and clean-up late on Saturday afternoon after the roar of the race cars had subsided and the crowds were gone.

The 2016 Patriot District Pinewood Derby is now a lasting memory for the all of the Cub Scouts and parents who contributed their energy and efforts to make the derby an energetic and fun event for all! We look forward to seeing the creativity and workmanship that the 2017 competition will hold!

**From the District Chairman:**

Greetings to all Scouts and Scouters of Patriot District,

Spring has sprung! The Cherry Blossoms are wreaking havoc with my allergies, so Summer must be around the corner.

That means that **Summer Camp and Cub Scout Day Camp** are on the horizon. Get your reservations in for Cub Scout Day Camp. It will be held 11-15 July at Gesher Jewish Day School in Burke.

Also, the Patriot District **Spring Camporee** is the last weekend of April, running from April 29 – May 1. Canoeing is the theme, so bring your swimsuits as we all learn how to work and play safely in the water.

The **2016 Friends of Scouting** campaign is well under way. Many FOS presentations have already been made, and many others will be completed over the next few weeks. We are well on our way to reaching our goal for FOS 2016, but if you have not yet had a chance to contribute to the campaign this year, please consider supporting Scouting by adding some of your treasure in addition to the support you provide in giving of your talent and time. Steve Smith, Bill Snowden, and Floyd Baker stand ready to assist Pack and Troop leaders in arranging for an FOS presentation. Presentations are most effective at a time when many parents will be present, as at a Pack meeting or Troop Court of Honor.

Out **Spring Awards Banquet** in May will be providing an opportunity for us to award three District Awards of Merit, six Distinguished Patriot Scouter Awards, and a host of other Atta Boy recognitions! Please plan to attend this important event, and be sure to register on line. And don't forget to nominate your deserving members for appropriate and well-deserved awards. Contact Kristin Chioma or Aasgeir Gangsaas with nominations. Mark your calendar for this May 24 event today!

**I always ask you to Share Scouting!** Please share this Patriot Press with at least one other Scouter or Scout Family this month. Then send the e-mail address to Robert Mason so their names can be permanently added to the distribution list. If you know Scouters in the District that is not getting Patriot Press, please send their names to Joe Osborne (joe.osborne@cox.net).

As always, **THANK YOU** for what you **do** for our Scouting movement. And thank you for your support for Patriot District's program.

Yours in Scouting, Jack

### From the Commissioner

When encouraging a scouter to attend training I was confronted by the direct, oft-used, and understandable “will I learn anything?” The first words out of my mouth were, “of course you will.” After thinking about it for a while I knew that the real, but not very diplomatic answer might have been, “that depends on you.”

All of us are torn among many requests of our time, our energy, our resources. How we engage with scouting has to do with how we value the benefits of Scouting to our youth and maybe even to our own growth. Those who are like the cork on the ocean surface, those who go with the flow, may not be the ones who are really interested in what happens to our kids. They are just along for the ride. Others, however, dig into the challenge of helping our youth to become tomorrow’s leaders. They look for ways to expand the possibilities as our children become balanced in strengths and wealthy enough in spirit to determine their own fate and lead in our communities and nation. These Scout leaders are the people with whom I want to share life’s journey, to work as teammates, to find meaning as we support our children, grandchildren, and quite often each other.

Yes, before going to training we all go through a kind of calculation. Will I have fun? Will I take something away from the training that merits the time I put in? Will my golf buddies be upset? Wouldn’t it be easier if I take a breather from everything I do? Each time you look at the equation, think hard about what it takes to provide a strong, sustainable program for our children and our children’s children. Training may be the single greatest determiner of the ability for a unit to endure and maintain the ability to make Scouting the best training ground the youth of today will ever see. If you aren’t sure yet, ask a Life or Eagle Scout if they wonder for a minute that their time in scouting was worth it. Can’t find that scout because he’s off leading his corner of the world, then ask their parents. I have no doubt about the answer.

Yours in Scouting and Commissioner Service,

Mike

## **Patriot District Spring Camporee “Canoe-o-ree”**

**April 29 – May 1, 2016**

Rappahannock River Campground  
33017 River Mill Road  
Richardsville, Virginia 22736  
(540) 735-4182

**The theme for the Patriot District Spring Camporee is canoeing. In addition, several alternative programs will be available.** Scouts will have the opportunity to canoe, kayak, or tube the Rappahannock and Rapidan Rivers. Two trips are available, a challenging trip that includes rapids and an easy gentle water experience. Webelos can only participate in the gentle water canoeing. Units that are canoeing must administer the BSA swim test to any individual, Scout or adult, who will be on the water. Each unit must also have a current “Safety a Float” adult present for water activities. Troops will be canoeing as a unit water event, not a district water event.

Patriot District will camp at a 46-acre commercial campground along the river. We have reserved the entire campground for the camporee. Before and after canoeing Scouts will have numerous choices to challenge themselves and have fun. They include dodge ball, marksmanship with air rifle shooting, archery, fishing, and rock wall climbing.

The camporee will feature two other unique merit badge programs. The merit badge programs will take up the full camporee time period and preclude Scouts from canoeing. The first is Cinematography. Scouts will make a movie during the camporee that will be shown at either the camporee Campfire or Closing Ceremony and at the Patriot District May Roundtable. Requirements for this merit badge are listed online. Scouts taking this merit badge will meet Friday evening and then work on it all day Saturday. The program is open to 30 Scouts. The eminent business owner, Rich Harrington, is the merit badge counselor. The second merit badge program is American Heritage. It will focus on the rich historical environment in the Fredericksburg and Chancellorsville areas.

Units that do not want to canoe have several alternate activities they can organize in the Fredericksburg area. They can visit the city of Fredericksburg and tour Colonial or Civil War sites or the Chancellorsville Civil War battlefield. At Chancellorsville Battlefield, a challenging event is to hike the route of Confederate General “Stonewall” Jackson’s famous flanking attack – about a 20 mile hike. Additionally, units can take their Scouts to Kings Dominion for a day of fun and adventure.

The camporee will have the traditional events that bring us together as a district; Opening and Closing ceremonies, Senior Patrol Leader/Scoutmaster Cracker Barrel, outdoor church services, a Saturday night campfire, and the Order of the Arrow call-out. In addition, Troop 1131 will sponsor a grill-out dinner on Saturday night featuring grilled meats and fish, salad, side dishes, dessert and drinks. For troop wanting to participate, there is a \$7 additional charge per meal paid to Troop 1131.

The camporee will be held from Friday night, April 29, until Sunday morning, May 1, 2016. The cost is twenty dollars (\$20) per participant. There is no charge for adults that are just helping out on Saturday or Sunday and are not camping for the weekend. Registration for the camporee is open from **February 4 until April 11, 2016**. It is important that units notify Joe Casey by e-mail or phone by that April 11 date if they plan to attend the camporee. His e-mail is [jmccasey@verizon.net](mailto:jmccasey@verizon.net) and his phone number is (703) 455-9050. Joe Casey will answer every e-mail. Units need to notify Joe of the approximate number of participants. Final camporee registration and payment will take place Friday evening on-site as units arrive. Unit checks should be made out to NCAC-BSA.

There is an additional charge of twenty-five (\$25) for participants that are canoeing or kayaking. Troops will make reservations and payment for canoeing and kayaking directly with Virginia Outdoor Center at (540) 371-5085 or [info@playva.com](mailto:info@playva.com), JoEllen Santulli. Units that are canoeing must notify Virginia Outdoor Center by

March 15, 2016 and provide a \$100 deposit. Final numbers and payment are due by April 15, 2016. To pay, send a check to Virginia Outdoor Center at 3219 Fall Hill Avenue, Fredericksburg, Virginia 22401. The final count needs to include how many participants weigh less than 100 pounds and how many canoes and kayaks you are renting. Only older Scouts and adults with previous paddle experience should rent a kayak.

If it is warm enough, Scouts can tube on the river. Tubing reservations need to be made with Steve Miller (540) 735-4182 [canoeecamp@earthlink.net](mailto:canoeecamp@earthlink.net) at Rappahannock River Campground.

Troop 114 will provide the Camporee Senior Patrol Leader and the Flag Detail for the Opening and Closing ceremonies. The Camporee Senior Patrol Leader is responsible for conducting the Camporee Opening and Closing ceremonies and acting as Master of Ceremonies for the Saturday night campfire. This is a great opportunity for a senior Scout to display his leadership abilities. Also, the camporee is looking for at least two Scout buglers or trumpet players. As always, the camporee staff is in need of adult volunteers to support the different events. Volunteers should phone William Dexter, the Camporee Director at (703) 978-2632 or send an e-mail to [wtdexterjr@gmail.com](mailto:wtdexterjr@gmail.com).

Patriot District will not conduct an **Introduction to Outdoors Leader Skills (IOLS)** training course at this camporee. The IOLS training course will be conducted on another weekend. The director for the IOLS training is Philip Sternberg. He can be reached at [phil.sternberg@gmail.com](mailto:phil.sternberg@gmail.com) or (703) 960-0205.

**OA UPDATES**

Beginning in April OA Chapter meetings will be held at the same place as Round Table. They will begin at 7 pm at St. Stephen’s United Methodist Church on Braddock Rd. Combining with Round Table should help the TOARs get information to their troop leadership.

Registration for the **Section NE-6A Conclave** is also open at [ne6a.org/conclave/](http://ne6a.org/conclave/). Register now and help Amangamek-Wipit maintain its lead among the other two lodges for the lodge with the most attendees! This is the largest annual event that you are able to attend, and will have some great activities.

We also need your support for the spring ordeal. It will be held June 3-5 at Camp Snyder. It is a great way to show your support for the new candidates in your troop. Seeing a friendly face makes the ordeal a better experience and introduction to the OA for incoming candidates.

### District Awards Dinner

As noted page 6, the annual Patriot District dinner will be held on Tuesday, May 24, 2016. Information regarding attending is in the attached flyer. Each year, we honor and recognize adults who have made a noteworthy contribution to our youth. We have two awards Distinguished Patriot Service Award and Patriot Spirit Award (PSA). The nomination forms for each award are provided at the end of this issue of the Patriot Press below. Please consider nominating someone for your unit for the PSA. Every unit is allowed to present one of these awards. It is important that we recognize the adults who have been giving that something extra to their units.

### Duty to God for Boy Scouts

“Duty to God” has been a part of the Boy Scouts of America from the start. The first BSA *Handbook for Boys*, published in 1911, says “no boy can grow into the best kind of citizenship without recognizing his obligation to God.”

What’s new is that beginning Jan. 1, 2016, every rank from Tenderfoot to Eagle Scout (plus Eagle Scout palms) will include a “duty to God” requirement.

It’s important to know what that means — and what it doesn’t.

The new requirements *do* ask Scouts to reflect on their own belief. They *don’t* ask the Scout leader to have a two-way conversation about religion, to proselytize or to evaluate whether the Scout’s duty to God meets the Scout leader’s personal standard.

Look at the verb in the requirement: “**Tell** how you have done your duty to God.” Not demonstrate, discuss, show or prove.

This is a **monologue** by the Scout. Not a **dialogue** between a Scout and his leader.

The requirement is complete once the Scout has described how he has done his duty to God. With young Scouts, this could be a very brief statement. As Scouts get older and their beliefs mature, this “telling” will evolve.

The troop leader is there to listen, not to evaluate a Scout’s expression against any standard. In many troops, the Scout leader and one or more of his Scouts will have different religious beliefs, and that’s perfectly fine. In fact, it’s healthy.

**National Youth Leadership Training  
SUMMER 2016 NYLT**

**19 – 24 June 2016**

**10 – 15 July 2016**

**31 July – 5 August 2016**

**REGISTER TODAY!!!**

Early Bird cost for the Course will be \$225 until 1 June 2016, then the cost is \$270. All courses will be held at the American Legion Youth Camp at 9201 Surratts Road, Cheltenham, MD. In order to attend the course each participant must certify that they have now (or will have by June 1st) met the following qualifications to attend NYLT:

- Attained First Class Rank if in Boy Scouts
- Completed Unit Leader Training
- At least 13 years of age (With the Course Directors approval)
- Youth 12 years of age and younger will not be able to attend
- Home Unit Leader approval

**What is NYLT?** The objective of our NYLT program is to equip our young people with leadership skills to help them succeed in their Scouting program and in LIFE. NYLT brings together Scouts from all over the Council to learn and practice the leadership techniques in a risk free, Scout friendly environment. The Scouts learn and practice leadership skills and styles together.

The course is presented primarily using a Boy Scout model as the vehicle, which allows all attendees to SEE how leadership skills fit into the Scouting program. These leadership skills are applicable to all Scouting programs.

While it remains the responsibility of unit leaders to train the youth leaders, this course is designed to supplement the adult leaders' role in the training process. NYLT skills build on the fundamental leadership skills presented in the unit basic leadership training in their home unit. This training conference has six specific objectives:

- To give participants the confidence and knowledge to run their unit.
- To give participants the most contemporary, successful, and useful leadership tools available and allow them to “experiment” with them to help them better relate these skills to their unit responsibilities.
- To give participants the opportunity to share ideas and experiences with Scouts from other scouting programs.
- To create an atmosphere where Scouts will experience Scouting at its best.
- To enhance the relationship between the participant and their adult leaders. To have fun!

Remember, “Scouting is a game with a purpose.” — Baden-Powell

There are also staffing opportunities for youth who have attended NYLT in the past. If you have questions, please contact Kristin Chioma, [chioma@msn.com](mailto:chioma@msn.com)

### Check Out NCAC's New Website!

In January the National Capital Area Council moved to a new website content engine. We believe the new design will make it easier for you to find information and easier for us to make that information available. In addition to the new website, the event registration engine has also changed. You will find the calendar and registering for events have been streamlined. We are currently in the process of populating information on the website and calendar. If you have any questions, concerns, suggestions, or praises, feel free to send them to [PatriotDistrictWebmaster@muslimscouting.org](mailto:PatriotDistrictWebmaster@muslimscouting.org). We invite you to check out the new NCAC site at <http://www.ncacbsa.org/Patriot/>.

We also invite you to follow us on Facebook at <http://www.facebook.com/PatriotDistrict>. If you have any good news stories or photos that you want to contribute, please feel free to post it to our District Facebook Page.

**Looking for a Few Good Scout Tales**

Do you have Scouts working on journalism merit badge? Or maybe you would like to share about the great work your unit is doing for the community. Tiger Days, Webelos outings, Eagle projects, and high adventure stories are all welcome. Send your successes and even trials to the editor of the Patriot Press and you likely will inspire other good actions by other Scouters and Scouts.

Patriot District would share our monthly letter with our great Packs, Troops and Crews, hopefully sparking imagination and activity. If the community is recognizing your unit, we would love to share the good news. Send your stories and pictures to [joe.osborne@cox.net](mailto:joe.osborne@cox.net). Please keep the stories to about a page or less with pictures using 11 point font, first names only preferred for youth. It also helps if you reduce picture size to less than 1 MB.

## Leave No Trace Trainer Classes, April 2016

**What is the purpose of this class?** The **Cub Scout, Boy Scout, Varsity Scout, Venturing, and Sea Scout** programs all include outdoor stewardship, care for the environment, and Leave No Trace as part of their programs. This course is offered to train **adults and youth aged 14+** for service to their units and districts as Leave No Trace Trainers and as Outdoor Ethics Trainers. Every Cub Scout, Boy Scout, Varsity Scout, Venturing, and Sea Scout unit should have at least one Leave No Trace/Outdoor Ethics Trainer. A Boy Scout must complete this course before he can serve in the Troop Leave No Trace Trainer position.

**Who should attend?** Venturers, Sea Scouts, Varsity Scouts, and Boy Scouts aged 14+; adult Cub Scout, Boy Scout, Varsity, Venturing, and Sea Scout leaders; and District and Council leaders and trainers.

**What will I learn?** This course is designed to enhance your understanding of Leave No Trace practices and outdoor ethics, and to increase your level of expertise and confidence in teaching Leave No Trace skills.

This class is both active and highly interactive. You will be introduced to concepts and methods that will advance your knowledge of Leave No Trace issues in both developed and high adventure environments, expand your repertoire of low-impact skills, and increase your effectiveness in teaching these important skills to others.

On completion of this course, participants will be registered as Leave No Trace Trainers with the Leave No Trace Center for Outdoor Ethics and with the BSA. Students will receive Leave No Trace teaching materials, a certificate of course completion, a Leave No Trace Trainer lapel pin, and a BSA Leave No Trace Trainer card.

This course is instructed by nationally designated Leave No Trace Master Educators and Trainers. Attendance for the entire duration of the training is required.

## B-P Bits

Mafeking made B-P the boys' hero, and it was not surprising that many wrote to him for advice and help. He took a great deal of trouble to answer these letters. Here is part of his reply to one from a Boys' Club in London:

"You should not be content with sitting down to defend yourselves against evil habits, but should also be active in doing good. By 'doing good' I mean making yourselves useful and doing small kindness' to other people - whether they are friends or strangers.

It is not a difficult matter, and the best way to set about it is to make up your mind to do at least one 'good turn' to somebody every day, and you will soon get into the habit of doing good turns always.

It does not matter how small the 'good turn' may be - even if it is only to help an old woman across the street, or to say a good word for somebody who is being badly spoke of. The great thing is to do something."
