SCOUTING FOR FOOD

Scouting for Food (SFF) is an annual event where Scouting units from across the NCAC, including the Patriot District, collect food for those in need. The food the Patriot District collects goes directly to the Capital Area Food Bank for distribution to various other food banks and pantries. Historically we have faithfully filled three huge trucks with the food we collect. Our drop off point is the Safeway at the Burke Centre Parkway. We will be there from 9 AM to 2 PM on Sat Nov 12th.

Important Dates:

October 13th: At Roundtable, we will have the SFF bags for unit representatives to pick up for distribution in their areas. *It is imperative that a representative from every unit attend this Roundtable.* At Roundtable you will receive your bags and be assigned an area to cover. Please ask your Scout parents if they have seen SFF bags in their neighborhoods in previous years. Every empty door is a missed opportunity. Please let us know on Oct 13th of any neighborhoods that have been inadvertently missed in recent years.

November 5th: Scouts from participating units distribute the bags to their designated neighborhoods, beginning no earlier than 9 AM.. With a knock and a call out of "Scouting for Food", a Scout leaves the bag on the door with the hopes of finding a full bag of food the next week. If you run out of bags, you may also tie a note to the door as a reminder of the date for SFF pick up. You may also call Tim Ryder to see if there are any extra bags left over.

November 12th: Scouts begin picking up the food at 9 AM and deliver the bags to the Safeway located at Burke Center Parkway Shopping Center. We do not take glass jars; please leave them behind if possible. We will ask each unit to stop by the **SFF table** to identify the unit dropping off and provide a bag count. Each bag we estimate as approximately 5 lbs. OA Scouts will diligently be waiting to assist, often with the help of a crew from GMU, and also with some very reliable dedicated adults.

Volunteers Needed: On November 12th, we need volunteers to collect and sort the food, direct traffic, and many other duties that are much appreciated. Our volunteers sign in at the SFF table where they can have service hours validated. If you are an OA member and plan to attend the event, please try to bring an orange or yellow safety vest to wear over your official BSA OA uniform. If it is cold, please dress accordingly. We will provide hydration and nutrition. Please contact Tim Ryder if you or your unit can help at the collection point on November 12th. Thank You.

Patriot District Awards

It is that time of year again to nominate outstanding Scouters for all the work they do with our youth.

The first one is the Council level **Silver Beaver Award**. Each year Patriot has a few Scouters receive this award. This award can be submitted to the district or directly to the council. The criteria are

- What they do for Scouting
- What they do for their community (church and other organizations)
- What they do for youth outside of scouting (team coach, Sunday school)
- The application form can be found on the Council page at

<http://www.ncacbsa.org/advancement/awards-and-recognition/silver-beaver/>

Nomination forms are due to the District by November 5th, 2016 or to Council by November 30th.

The other award is the **District Award of Merit**. This award is given out in each district based on the number of units. Patriot currently gives out an average of 3 per year. This award is only submitted to the District. The criteria are

1. A nominee must have rendered noteworthy service to youth in Scouting, outside Scouting, or both.

The nature and value of “noteworthy service to youth” may consist of a single plan or decisions that contributed vitally to the lives of large numbers of youth, or it may have been given to a small group over an extended period of time.

2. Consideration must be given to the nominee’s Scouting position and the corresponding opportunity to render outstanding service beyond the expectations of that Scouting position.

The application can be found on the Council page at

<http://www.ncacbsa.org/advancement/awards-and-recognition/adult-awards/>

Nomination forms are due to the District by December 1st, 2016. Send to Chioma@msn.com

Patriot Golf Classic

Reminder: The Patriot Golf Classic is on Monday 19 September. Please sign up as soon as possible! If you prefer, please send the name of you and your Foursome directly to Steve Smith at smithfamilyzoo@cox.net. We look forward to seeing you at Prince William Golf Course on the 19th!

Attention New Scouts!

All new Scouts who have turned in your application to register will be given a free rocket. This will help launch their Scouting career and also serve to promote a lifelong love of STEM "take off". Launch Day events are being planned at multiple sites around our Council. Choose a site closest to you, or a day that works best for you and your family.

Annandale - Northern Virginia Community College (Soccer Field)

Saturday 10-29-2016 1:00 PM to 4:00 PM

8333 Little River Turnpike
Annandale, Virginia 22003

Register at: www.ncacbsa.org/launchdays

Each person, youth and adult, attending is \$5.00.

The entire family is welcome and additional rocket kits can be purchased on line and assembled at the event.

National Capital Area Council gives Scouters the tools needed to recruit big in their service area. First, every youth that joins a Scouting program, either Cub Scouts, Boy Scouts, or Venturing, will receive an Estes rocket kit! What a way to kick off scouting, by flying high!! Second, NCAC supplies yard signs and flyers. Each unit should be putting out signs all over the District. We also have free full-color flyers that you can provide to your schools, churches, community centers for distribution to every boy. All you have to do is fill them out, send them back to me over email, then wait about a week for me to deliver them to you (please schedule a time a place with me to meet). Thirdly, if you are associated with a school or church, I will be willing to visit and ask the principal, about classroom talks, cafeteria talks, or just putting up a campsite in the middle of the school and hand out flyers. We want you to succeed with recruiting!

Patriot District Fall Camporee

“Emergency Preparedness in Action”

October 28 – 30, 2016

Camp Snyder
6100 Antioch Road
Haymarket, Virginia 20169
(571) 248-4904

As of May 6, 2016

This October, the Patriot District will be participating in a multi-district camporee at Camp Snyder. There will be a loud boom in the air. As Scouts look up, they will see a commercial airliner in distress and watch it make an emergency landing at Camp Snyder. The plane breaks apart and pieces and bodies are scattered throughout the area. Most passengers are still alive but many are severely injured. The plane was attempting to make it to nearby Dulles International Airport but could not get there.

Air traffic controllers at Dulles sound the alarm about the crash and immediately notify first responders. At the same time, Scouts on the ground immediately start search and rescue operations and begin to administer first aid. They also evacuate patients to a central collection point. When the first responders arrive, the Scouts brief them about what has happened and what they are already doing. The first responders set up a control center and a triage site and begin medical support and evacuations. Nearby hospitals activate their emergency teams and prepare to receive mass casualties. Ambulances and medical evacuation helicopters start arriving to evacuate patients. The headquarters continues to organize the Scouts on the ground to assist in handling the tragedy.

Earlier in the day, VDOT closed a section of Interstate 66 for repairs and detoured traffic through Camp Snyder. During the excitement, two school buses transporting high school drama students to a workshop collide and go off the road. One catches fire. Several students are injured and a few, to include a bus driver, are trapped inside a bus. Scouts quickly realize that between the airline crash and the bus accident that they are assisting with over 200 casualties.

The theme for the Fall Camporee is “Emergency Preparedness in Action.” Other skills that will be stressed are Safety, First Aid, and Search and Rescue. This will be a multi-District camporee with Bull Run, Sully, Occoquan and Patriot Districts participating. Bull Run District is the lead. A multi-District camporee allows Scouting to attract greater outside participation and create larger programs.

The camporee will be held at Camp Snyder from Friday night, October 28, until Sunday morning, October 30, 2016. Instructions concerning registration will be published at a later date. The total expected attendance from all four districts for Scouts and Scouters is 1200. The camporee will have the traditional events that bring us together: Opening and Closing ceremonies, Senior Patrol Leader/Scoutmaster Cracker Barrel, outdoor church services, a Saturday night campfire, and the Order of the Arrow Brotherhood walk. As always, the camporee staff is in need of adult volunteers to support the different events. Volunteers should contact William Dexter, Camporee Director, at (703) 978-2632 or send an e-mail to wdexterjr@gmail.com.

Patriot District Guidelines: National Lion Pilot

A Pack can volunteer to participate in the Lion Pilot by submitting the attached "Pack Lion Application" to their Unit Commissioner, who will forward the application to the District Key 3 (Kyle Molldene, Mike Porter, and Weldon Campbell) and to the District Lion Coordinator (John Stewart).

The following criteria will be used by the Patriot District to assess the appropriateness for a given Pack to participate in the Lion Pilot:

- Pack Key 2 (CM and CC) are fully trained.
- Pack has a good Tiger Program.
- Pack has a good track record in recruiting (Spring/Fall), or has a record of timely registering new Youth.
- Pack has a good Summer Program, includes Day Camp participation for Tigers through Webelos, or a good published program at a minimum.
- Pack has re-chartered successfully and on time last year.
- Pack has identified a Lion Guide who Den Leader experience.
- Pack Lion Guide must have/will have completed orientation.
- Pack provides feedback on what's working and what isn't.

Please report this to John Stewart at any point in time based on your observations and experiences. More formally, there will be a survey or two later on allowing for more formal and standardized responses in order to improve the Lion program. Though these kinds of surveys can seem tedious, completing them will be much appreciated and they are vital to helping develop a great Lion program. This is indeed a pilot, an experiment, and we need to have mechanism to evaluate its success, and to help identify any needed changes, before the experimental status can be lifted.
