From the District Chairman:

Scouts, Scouters and Families of Patriot District,

Wow! It’s March and Spring is already here; I wonder how long it will last. Is Mother Nature just toying with us?

The Friends of Scouting campaign is well underway, and I know that there will be many FOS presentations over the next few weeks likely to be made when you have a Blue and Gold or Court of Honor. Please consider supporting Scouting with your treasure as well as you what you already give in talent and time.

I always ask you to Share Scouting! Please share this Patriot Press with at least one other Scouter or Scout Family this month. Then send their e-mail address to Robert Mason so they will be permanently on the distribution list.

On April 18th, the Council Court of Honor will convene to recognize the new class of Silver Beavers. Please register and congratulate Patriot District’s newest Silver Beavers Robert Cohn, Richard Priest and Abdul “Rashid” Abdullah.

Lots of exciting things coming up this spring… Camporee, Day Camp and the District Court of Honor are just a few of the things we have to look forward to.

As always, this publication is for you! Thank you for what you do for our Scouting movement. And thank you for your continuing support for Patriot District’s program.

Yours in Scouting

Steve Smith, Patriot District Chairman

Calling all Bug Hunters!

Your master hunters will be available Thursday, March 2nd, and Tuesday, March 14th, to answer any questions you might have related to upcoming adventures at Patriot District Day Camp. They will be meeting with potential hunters in the cafeteria of Fairview Elementary School on those days from 7 - 9pm. Fairview is located at the corner of Burke Centre Parkway and Route 123. Pack coordinators, parents, and leaders are all welcome to stop by and ask any questions that they need help with.

Yours in Bug Scouting,

Niko Brown - Camp Director  Justin Day - Program Director
From the District Commissioner

The rechartering process is now complete and all of our units are appropriately chartered until Dec 31st. Now that it is complete, all of our units’ registered youth and adults are listed in the Member Manager of the my.Scouting.org website. Each unit should check those listed on the website against the membership you hold to make certain they are the same. Sometimes errors occur and someone who should have been registered isn’t. Let’s make sure all of our Scouts and leaders are registered.

With the Blue and Gold Banquets now in full swing, we have several Cubs earning their Arrow of Light. Don’t wait to enter that achievement into the internet advancement. If a Cub joins a troop and becomes registered as a Scout before his Arrow of Light is recorded in internet advancement, his achievement will go unrecorded forever.

And speaking of the transition from Cub Scouts to Boy Scouts, I am a huge advocate of Den Chiefs and I don’t see many in our district. The den chief is a key means of building relationships between the pack and troop, crew or team. Den Chiefs regularly reminds the boys about Boy Scouts in a positive way as he leads activities and shares their enthusiasm for Scouting with the Cub Scouts. Their presence adds another important asset: they can tell them all about Boy Scouting, with its outdoor activities, trips, summer camp, and opportunities for advancement. When the Cub earns his Arrow of Light and it's time for them to move up to a Boy Scout troop, a Den Chief’s positive example and encouragement can help them decide to make that transition. For Cubmasters and Scoutmasters, please consider a better utilization of this position of responsibility for an older Scout.

Commissioner College for our council is being held in Woodbridge this year on March 11. It’s similar to the University of Scouting but on a smaller scale and with offered courses more geared to the Commissioner role. That said, the college is not ONLY for Commissioners. Anyone can participate, and I encourage any Scouter to attend. Information about the college can be found at http://www.ncacbsa.org/commissioners/commissioner-training/commissioner-college/.

If we have any Scouts in the district who might have often thought about becoming a modern day Lewis and Clark, Admiral Richard Byrd, or Jacques Cousteau, they may be interested in the newest merit badge – Exploration. It has just become available and looks to be an interesting and fun merit badge. Is that Indiana Jones’ hat on the badge?

I’m sure everyone is aware that there was a recent change in the Boy Scouts membership policy. For anyone having questions about that change, I direct you to the National Capital Area Council home page website (NCACBSA.org). There are two links there toward the bottom of the page that discuss the change.

FRIENDS OF SCOUTING

We are in full swing on the 2017 Friends of Scouting (FOS) campaign. If you have not already scheduled your presentation - you're late. Please contact Mark Greer as soon as possible. Courts of Honor are ideal occasions for Troops to schedule their presentation, while Blue and God Banquets are good events for Pack presentations.

We derive a lot of benefits from FOS and our Council. Please take a moment to schedule your presentation and encourage your families to contribute. If you have any questions, please ask me! This is our turn to help - please be generous.

THE TIME TO ACT IS NOW – BEFORE, NOT AFTER, A CRISIS

22 APR 2017
Holy Spirit School

As adult volunteer Scout leaders, it is incumbent upon us to know how to recognize and respond to the signs of mental illness. This knowledge can be the difference between life and death. We are partnering with the Fairfax County Health Department to offer a training course in Youth Mental Health First Aid to help prevent teen suicide. This same training is mandatory for every Fairfax County School teacher, administrator, and staff member to complete. We have the same instructors. Coffee and snacks will be available and there will be a lunch break, but lunch is not provided, so be prepared to either bring your lunch or buy it.

Shalom, Salam and Peace to all Scouts and Scouters

For the first time ever, Venturing Crew 114, chartered by the Islamic Center of Northern Virginia, Fairfax, Virginia, is proudly organizing an Interfaith event that will help Scouts and Scouters to understand the mutual similarity between the Abrahamic faiths and also give an opportunity to combat hunger by packaging meals for those in need.

This event is called “For Harmony We Strive.” It is inspired by the Messengers of Peace mission, a global initiative designed to inspire millions of young men and women in more than 220 countries and territories to work toward peace. The initiative lets Scouts from around the world share what they've done and inspire fellow Scouts to undertake similar efforts in their own communities. The initiative is inspired by the World Scout Committee, administered by the World Scout Bureau, and driven by youth volunteers worldwide.

The agenda for the event will include:
• A tour to three Abrahamic places of worship
• A speech with question and answer session by three religious leaders of respective houses of worship
• Packaging meals at the Stop Hunger Now warehouse.

The success of this event relies on volunteer participation and donations, so please register and donate today using the link below:

http://crew114.muslimscouting.org/2017/02/03/stop-hunger-now-registration/

This event is organized with the support of the NCAC VOA and the partnership of the All Dulles Area Muslim Society (ADAMS), Beth Chaverim Reform Congregation, the Christian Fellowship Church, and Stop Hunger Now, all located in close proximity to one other in Ashburn, Virginia.

For further information, please contact: crew114@muslimscouting.org. God bless and thank you very much. As a special note, Rabbi Peter Hyman, the National Chair for the Messengers of Peace, is planning to attend the event. We hope to receive overwhelming support for this effort.

**Help the Patriot District “Celebrate Fairfax”**

The annual Celebrate Fairfax festival is coming to the Fairfax County Government Center on June 9th through the 11th. The Patriot District is planning on submitting an application to host a booth to display the Scouting Program to everyone attending the event, but especially visitors of Scouting age. Please have your Pack, Troop, Post, Crew, and Team develop ideas for potential participation or taste oriented demonstrations (monkey bridge, Dutch oven cooking, boil an egg in a paper cup, etc.) and send those ideas to John Stewart (email below) as soon as you can, but not later than March 29th.

We are planning on coordinating for the NCAC’s climbing tower to be part of our District booth for this event as well. Cubs, Scouts, Explorers, Crew and Varsity Team members are all wanted to serve at the booth to demonstrate and show off the “fun” of Scouting. Units are asked to send contact info for their volunteers to staff the booth and any specific time slots they want to serve to John Stewart at john.r.stewart.civ@mail.mil.

The events hours are Friday, June 9th, 12 noon – 2 pm for county employees “sneak peak” and then from 6 pm-12 am; Saturday, June 10th, 10 am -12 am; Sunday, June 11th, 11 am-7 pm. If our booth is approved by the event organizers, our goal will be to close our booth a few hours prior to the festival closing time each day in support of youth and adult volunteers.

This can be an excellent way to get community families exposure to Scouting and potentially to join us! Don’t forget to send in your booth ideas by March 29th and to submit unit POCs for booth volunteers.
