Important for all Registered Scouters

The image below is from the home page of the my.scouting.org website. Every registered Scouter needs to have visited this link to the new Youth Protection Training (YPT) after February 1st. Many of our Scouters took YPT in 2017 and they believe it was good for two years, but that changed with the BSA release of the new YPT on Feb 1, 2018. Every registered Scouter, including NOVA and merit badge counselors, needs to complete the new YPT if they wish to remain in Scouting in 2019.

Currently about 40% of our adults have complied with this requirement. Patriot District begins the rechartering process on October 1st and your unit cannot renew your registration for 2019 unless you have completed the new YPT. This affects every Scouter in every Council in the country. As we get closer and closer to rechartering, Districts all across the country are making the same plea as I am to get the new YPT done and done soon. As more and more adults put off getting this done, the more people who will be trying to access the training at the same time. This will likely result in your not being able to access the training when you find a convenient time to try and complete it.

Please do yourself and your unit a big favor and log into the website and take the training NOW!

From the District Chairman

Patriot District Family,

Well, summer is over, school has started and the new Scout year is well underway. This will be an historic year for Scouting in the Patriot District and the NCAC. We will be getting Family Scouting underway this fall, changing the face of scouting. We will be celebrating the 20 Anniversary of the Patriot District, along with Colonial and Old Dominion Districts (all used to form the George Washington District) at a combined camporee in October. You will not want to miss it! There are so many exciting things for scouts and Scouters at all levels.

Join Scouting nights are in full bloom all across the District. If you know someone with boys AND girls of Scouting age, encourage them to tag along and see if you can get them to join the fun.

Want a chance to win a new Harley Davidson motorcycle? We are only days away from the annual Patriot District Golf Event where you will have that chance. Be sure and sign up now. We have raffles, auctions and games, so it will be a great event with all proceeds going to Friends of Scouting. The first three people to tell me they have registered will win a free game pack, valued at \$20!

Everyone is invited to the District Committee meeting, always the 4th Tuesday of the month. Our meetings are held at St. Stephen's United Methodist Church, 9203 Braddock Road, Burke starting at 7:30 PM. We can always use more volunteers for the District Committee. Please stop by and take a look!

As always, thank you for what you do for our Scouting movement. And thank you for your support to for Patriot District's program.

Yours in Scouting, Steve

If ye love wealth better than liberty, the tranquility of servitude better than the animating contest of freedom, go home from us in peace.

~ Samuel Adams (b. September 27, 1722)

From the District Commissioner

It's September already and it seems like summer only started a few weeks ago. September is an active month for our Scouting program as this is when we try to recruit new Cub Scouts. This year is an exciting time as we bring more girls into the program. We have a few Packs with girls already registered and as we have our Join Scouting Nights at the various elementary schools in our area we'll now be looking for both boys and girls to join. Parents can fill out a paper youth application, but the easiest way to register a new Cub Scout is by using the online application process which begins on the [BeaScout.org](https://www.scouting.org) website. Remember, the online registration process is only for people who are *new* to Scouting. A parent can find a desired Pack and start an online application there. Once the application has been submitted, any of the Pack's Key 3 can approve the application and that completes the registration process. We currently have 5 applications awaiting acceptance and 11 queries for information. There is a new guidebook for online registration and it can be found at <https://www.scouting.org/wp-content/uploads/2018/08/Online-Registration-Unit-Guidebook-July-2018.pdf>.

It's important to get new Scouts registered prior to October as that is when our annual rechartering process will begin. As I mentioned above, online is the quickest and easiest way to register, but if a parent does a paper application the Pack/Troop needs to get the application to your Unit Commissioner as soon as possible. Please, let's not hold paper applications. In preparation for rechartering, it's important that every unit review your registered membership in the [my.scouting.org](https://www.scouting.org) Member Manager to verify everyone you believe to be registered actually is. On the topic of rechartering, the District will offer a session on rechartering for the Committee Chairs and unit processors prior to our Roundtable on Thursday September 13th. It will start at 7:00 PM. We will also be offering Youth Protection Training that evening beginning at 6:00 PM. Some might find this method of taking YPT more to their liking as there is an opportunity for discussion.

Our camporee this fall will be with Colonial and Old Dominion Districts. These three Districts were once George Washington District and this is the 20th anniversary of that District being divided. Webelos are invited to attend but can only remain overnight if a parent is camping with them. All Webelos who may elect not to spend the night are certainly welcome to visit for the day. It's a great opportunity for a Troop to strengthen ties with a Pack.

David Astle, District Commissioner

Combined Roundtable for September 2018.

The Patriot District will be hosting a Joint Roundtable on Thursday September 13th from 7:00-9:00 pm at Saint Stephen’s UMC, 9203 Braddock Road, Burke. There will be a recharter overview for all unit committee chairs and their recharter representatives starting at 7:00 pm and then we’ll have a District social when the recharter presentation is complete ~8:00 pm.

The social after the recharter presentation is to welcome everyone back and to facilitate pack and troop discussions on joint topics and needs such as AOL requirements, joining requirements, joint camping opportunities, and den chiefs. We encourage all Webelos Scouts and AOL leaders to attend in addition to our usual cubmasters, scoutmasters, and committee chairs.

If packs have any dens that are looking for Den Chiefs, please fill out the attached form and bring some copies to provide to Troops. We are working to collect a few nice door prizes to add to the festivities. For the cub scout attendees, the word of the day is Loyal.

As a final request and to make this a great event, we need pack and troop representatives to sign up to bring an item for the social from the SignUpGenius below. We will add more slots as requirements fill up.

Driving Safety

Driving is one of the most dangerous activities you will do each day. As traffic increases during the summer months, keep in mind these tips:

- Cell phone use distracts driving.
- Use your safety belts at all times.
- Don't drive impaired (including fatigue) or with aggression.

Never text and drive and do everything you can to convince your driving-age Scouts to do the same. Take the pledge at <http://www.itcanwait.com> not to text and drive and put that promise into action by:

- Store your phone in the glove box or trunk.
- Use "X" or #X as a signal that you're driving. By ending a text conversation with the letter —Xl or tweeting with #X, you've just told your friends and family that it's time to stop messaging and start driving. Train them to know that signal.
- Give your phone to someone else. If you're driving with others, let them keep you focused on the road.
- Put your phone on Do Not Disturb and face down in the passenger seat so you won't see the screen.
- Draw X's on your thumbs as a visual reminder to stop typing and start driving.
- Let technology help keep you honest. Use an app that blocks texting while driving and let others know you're on the road.

Patriot District Day Camp

Patriot District 2019 Day Camp

The Patriot district is excited to announce that the 2019 edition of day camp will be held **July 8-12, 2019** and will again be at Geshar Jewish Day School. Registration will open in February 2019, but we will be doing pack visits over the winter to talk to the scouts about the excitement of day camp. Additionally, we'll be having our first planning meeting of the year on October 1st at 7pm in the cafeteria at Fairview Elementary. All are welcome to come and have input on the program for the coming year.

Training

Welcome back to the 2018-19 scouting year! I hope the coming year will be filled with lots of adventures and games with a purpose. To help with that, the district will be offering a number of trainings this Fall to help get our leaders up and running.

Youth Protection Training – The October 1st deadline is fast approaching and September is the last month before the new training is fully required. We will have 3 in person sessions during the month for people who prefer live to online training.

Sign up at: <https://scoutingevent.com/082-PatriotSeptYPT>

Den Leader/Cubmaster Specific Training – Join your fellow Cub Scout leaders for a morning of training and discussion on running the cub program. We will be running the two trainings back to back so feel free to attend one or both of the trainings! The training will be on Saturday, October 6.

Scoutmaster Specific – Join your fellow Scouts BSA leaders for a morning of training and discussion on running the Scouts BSA program. This is a great opportunity for new leaders who will be starting troops in February 2019 as the course is run by two experienced scouters. The training will be on Saturday, November 17.

Sign up at: <https://scoutingevent.com/082-PATRIOTFALLSPST>

IOLS – while we don't have a course scheduled at the moment, we are working hard to schedule one in early November. Keep an eye out for announcements on the course.

Additionally, it is important to remember that you do not have to attend training within the Patriot district, especially if schedules do not work out. If you are interested in attending a training in another district, please check the council calendar, which can be found at <https://www.ncacbsa.org/calendar-2/>

Finally, I'm always looking for people who are willing to help out with training. It takes a lot to run all these events and I'd love to add more opinions and experiences to the trainings. If you or know someone who might be interested in helping out, please reach out.

Yours in Scouting,

National Youth Leadership Training (NYLT)

NYLT is an exciting, action-packed program designed for youth members of the Boy Scouts of America to learn and practice leadership skills to help them succeed in Scouting, in their careers, in their place of new worship, in their family, and in their personal lives.

NYLT integrates the best of modern leadership theory with the ideals of Scouting. Courses are delivered by a highly-qualified group of youth and adult trainers in a troop setting with an emphasis on immediate application of learning in a fun environment. Participants engage in a wide-range of games, challenges, exercises, and adventures to develop their skills, attitudes, and confidence. Through these activities, participants gain exposure to the same leadership techniques taught to today’s corporate executives. NYLT participants learn many valuable skills including how to:

- Create a vision of success
- Set goals and make plans
- Listen and solve problems
- Make ethical decisions and resolve conflicts
- Teach and lead others effectively
- Put the needs of others first

All of these skills are applicable to every part of life and will follow the participants into adulthood, enabling them to be the most effective leaders—and followers—in any setting.

NYLT is not like summer camp and is not designed for rank advancement or earning merit badges. NYLT is an intense and challenging hands-on program that parallels Wood Badge training for adults. It is essential that NYLT participants be physically, emotionally, and mentally prepared to handle the demands of this advanced training. In order to get the maximum benefit from this unique experience, participants must exhibit emotional maturity, a positive attitude, proficiency in basic camping and outdoor cooking skills, and ambition to serve in leadership roles.

Participants must meet the following requirements before the start of the NYLT course:

- Registered youth member of a troop, crew, ship or post
- Current BSA Health and Medical Record form parts A, B, and C
- 14 years of age or older, or 13 years of age with Course Director’s prior approval
- Have at least one year of camping and outdoor cooking experience
- Completed Intro to Leadership Skills for Troops (ILST), Crews (ILSC), or Ships (ILSS)
- Attained First Class rank if registered in Boy Scouts
- Approval from Scoutmaster, Crew Advisor, Skipper, or Post Advisor
- Commit to attending the entire six-day course

All NYLT courses in the National Capital Area Council are presented as either a continuous six-day program in the summer or as two three-day weekends in the winter. Below is a list of upcoming NYLT courses.

Course	Dates	Location
