

Key 3 Training:

My.Scouting.Org:

Unit Membership Cards

Often, the active links are in small font and non-obvious. Below are descriptions for a series of screen shots to try to illustrate how one goes into my.scouting.org to pull a unit membership cards.

Shot 1: View of page entering my.scouting.org. If you have not set up your account, please contact me and we will walk through that. Let me know if you can't get to this page.

Shot 2: What I see when I enter my.scouting.org page. The non-obvious button "Home" in upper left is key to next steps.

Shot 3: Click the Home button, and you should see all the functions that your registration should allow to see & do. Click on your unit name, in this case "Pack 0468 – Seneca 38", and you should see several functions, including "Member Manager". Click on Member Manager.

Shot 4: Dependent on speed of your internet connection (this step can take a while on dialup or during midday), you should see section Roster Details. Click on "Adult" section

Shot 5: You should see a listing of adult members. The card icon on top under words "Adult Roster by Person" is what you eventually want to click on

Shot 6: If you forget to select members before you click on the card icon, you will see a warning graphic in lower right as in this shot. You need to click on the check mark icon in upper right.

Shot 7: A small warning graphic screen appears asking if down loading Membership card(s) is what you want to do. Click on the continue button.

Shot 8: Another graphic appears, asking where to save file and what name to give the file. While the default file name is partially descriptive, it does not tell date generated, or if you are associated with two units (e.g. troop & crew), which unit.

Shot 9: Modify file name to allow later retrieval for specific date and information.

Shot 10: The file is saved to location described and in Chrome browser (recommended), you can display the information. What will be displayed first is the section describing which unit leaders (& their position) a card has been generated.

Shot 11: What will be displayed later is the section describing which unit leaders a membership card is not available, in this case the Executive Officer.

Shot 12: The membership cards ready for printing. However, the spacing is not suitable for business card label stock.
