Each year, upon holding a troop or team election for youth candidates that results in at least one youth candidate being elected, the unit committee may nominate registered unit adults (age 21 or over) to the lodge adult selection committee. The number of adults nominated can be no more than one-third of the number of youth candidates elected, rounded up where the number of youth candidates is not a multiple of three. In addition to the one-third limit, the unit committee may nominate the currently-serving unit leader (but not assistant leaders), as long as he or she has served as unit leader for at least the previous 12 months. Recommendations of the adult selection committee, with the approval of the Scout executive, serving as Supreme Chief of the Fire, will be candidates for induction, provided all conditions are fulfilled. Notification and/or call-out of the Unit adult candidates are not permitted without approval of the Lodge Adult Selection committee.

- (1) Selection of adults into the OA is based upon the ability of the adult to perform necessary functions to help the Order fulfill its purpose, and NOT for recognition of service, including current or prior achievement and positions.
- (2) The adult scouter being recommended will be an asset to the Order due to **DEMONSTRATED SKILLS AND ABILITIES THAT FULFILL THE PURPOSE OF THE ORDER**. This individual being recommended is qualified and willing to serve in the following capacities at either the Chapter or Lodge level.

The adult scouter must have at least **15 days and nights of camping** under the auspices and standards of the Boy Scouts of America, which includes **six consecutive days and five nights of long term camping** (Note: Ship Nights may be counted as camping; Cub Scout, Webelos, and family camping do not qualify); **short term camping must total ten nights**, excess long-term camping will not count towards the short-term camping nights
