

NCAC Adult Leader Unit Applications

2021 National Scout Jamboree

The National Capital Area Council (NCAC) is now accepting adult unit leader applications for the 2021 National Scout Jamboree NCAC provisional Scout Troops and Venturing Crews. The 2021 Jamboree will be held July 21-30, 2021 at the Summit Bechtel Family Reserve in West Virginia. NCAC plans to send to the National Jamboree twelve Scout Troops, including at least one Girls Troop and two co-ed Venturing Crews.

To ensure a successful Jamboree, the council requires qualified and committed adult leadership. Each troop requires three adult leaders over the age of 21, a Scoutmaster and a First and Second Assistant, as well as one adult between the ages of 18-21 to serve as Third Assistant. Crews require both male and female adult leaders over the age of 21. Members from the NCAC Jamboree Committee will review all applications to assess leader qualifications and experience, followed by interviews of qualified applicants in spring of 2020.

Adult leader applicants should register as an adult leader on the national Jamboree website AND complete the Unit Leaders Experience Survey (links below). The NCAC Unit Leader Experience Survey must be submitted to the council office (National Capital Area Council, Attn: Eric Smith, Program Director, 9190 Rockville Pike, Bethesda, MD 20814) not later than 01 August 2020. Selected applicants will be notified in late summer and for those who are not selected, you may at that time amend your registration for a staff position at the Jamboree.

Should you have any questions, please contact the Chair of the NCAC Jamboree Committee, Bob MacKichan at bobmackichan@gmail.com.
