### TREAD Lightly! Trainer Course 2020 Schedule

**What is the purpose of this class?** The TREAD Lightly! Tread Trainer™ course is designed to provide an in-depth look at outdoor ethics focusing on motorized and mechanized recreation on both land and water. The TREAD Trainer Course requires active participation throughout the course. Successful graduates of the course are qualified to present the TREAD Lightly! message to others in their state or region. Participants will work with TREAD Lightly! Master TREAD Trainers on understanding the role outdoor ethics play in the recreation community, learn the TREAD Lightly! principles of responsible recreational use, and will leave the course uniquely equipped with the tools to conduct workshops and coordinate community outreach.

**Who should attend?** The course is open to adults and youth 14 years and older and is of interest to all involved in the Boy Scouts of America Outdoor Ethics program.

**What will I learn?** You will learn about the newest component of the Scouts BSA Outdoor Ethics program -- TREAD Lightly! -- and how to share the concepts with Scouts and others. TREAD Lightly!'s TREAD Trainer Course is an intensive six-hour block of instruction designed to provide a foundation for outdoor ethics focusing on motorized and mechanized recreation on both land and water and on how we can minimize impacts on roads, trails and the wild lands when accessed by recreationalist.

All participants who register and pay-on line will receive a one year membership in the TREAD Lightly! Association, credits redeemable for instructor materials at the TREAD Lightly! Store, and access to electronic copies of training materials. All participants must sign the TREAD Lightly! Assumption of Risk and Release of Liability forms.
