

2023 National Scout Jamboree

NCAC Adult Leader Unit Applications

The National Capital Area Council (NCAC) is now accepting adult unit leader applications for the 2023 National Scout Jamboree NCAC provisional Scout Troops and Venturing Crews. The 2023 Jamboree will be held July 19-28, 2023, at the Summit Bechtel Reserve in New Hope, West Virginia.

NCAC plans to send to the National Jamboree ten (10) boy Troops, two (2) girl Troops, and two (2) co-ed Venturing Crews.

To ensure a successful Jamboree, the Council requires qualified and committed adult leadership. Each Troop requires four adult leaders over the age of 21, a Scoutmaster and First, Second, and Third Assistants. Crews require both male and female adult leaders over the age of 21.

Members from the NCAC Jamboree Committee will review all applications to assess leader qualifications and experience, followed by interviews of qualified applicants in fall of 2022.

Adult leader applicants should register as an adult leader on the National Jamboree website AND complete the Unit Leaders Experience Survey (links below). The NCAC Unit Leaders Experience Survey must be submitted to the council office (National Capital Area Council, Program Director, 9190 Rockville Pike, Bethesda, MD 20814) not later than July 31, 2022. Selected applicants will be notified in the fall of 2022, and for those who are not selected, you may at that amend your registration for a staff position at the Jamboree if you like.

Should you have any questions, please contact the Chair of the NCAC Jamboree Committee, Bob MacKichan at bobmackichan@gmail.com.
